Article II: Property Subject to this Declaration; General Plan of Development

2.1 Subject Property. The real property which is, and shall be, held, transferred, sold, conveyed, and occupied subject to this Declaration is located in Hillsborough County, State of Florida, and is more particularly described in the metes and bounds description attached hereto as Exhibit A and incorporated by reference as fully as if specifically repeated herein, and all of which real property shall hereinafter be referred to as “Property”

2.2 General Plan of Development. The Community is a residential community intended to include attached townhome residences, together with certain recreational and other ancillary facilities. Phase I of the Community is presently contemplated to contain approximately ninety (90) townhome Lots, more or less, while a future phase(s) is anticipated to contain approximately thirty-eight (38) additional townhome Lots, but the number of residential units may increase if Declarant adds additional phase(s). Declarant does not currently anticipate that any portion the Community will be submitted to the condominium form of ownership, but Declarant reserves the right to do so. Each Owner, by virtue of taking title to a portion of the Property, consents and understands that the foregoing estimate of the number of Homes within the Community is only an estimate. Declarant shall have the right, authority and power, in its sole discretion, to create more or fewer Homes in the Community from time to time.

2.3 Expansion of Community. Declarant has the right, acting in its sole discretion, but not the obligation, to expand the Community from time to time by adding additional land, or to change the number or kind of Homes, or other features of the Community.

2.4 Long Term Development. Some areas of the Community may be under development for extended periods of time. Incident to the development process, the quiet enjoyment of the Community may be unavoidably interfered with to some extent by the construction operations. From time to time, Declarant, builders and others may present to the public or display certain renderings, plans and models showing possible future development of the Community. Declarant does not warrant in any way that the schemes in these renderings, plans or models will actually be developed. Any such renderings, plans or models are primarily thematic and in no way represent a guaranteed final development plan for the Community.

Article III: Property Rights, Easements and Restrictions

3.1 Appurtenances. The benefit of all rights and easements granted by this Article constitute a permanent appurtenance to, and will pass with, the title to every Lot enjoying such benefit. Whenever any such right or easement is described as non-exclusive by this Article, its benefit nevertheless is exclusive to all Lots granted such benefit by this Article unless this Article expressly grants such benefit to other persons. In no event will the benefit of any such easement extend to the general public.

3.2 Utility Easements. Declarant has identified areas for use by all utilities for the construction and maintenance of their respective facilities servicing the Property, and Declarant hereby grants to such utilities, jointly and severally, easements for such purpose. The location and extent of such easements are as shown on the Plat (recorded or to be recorded) of the Property or such other instrument defining them. In addition to the above, Declarant hereby reserves unto itself and its successors and assigns an easement over, under, across and through the Common Property as may be required to "tie in", join and attach to the existing utilities, sanitary sewer service, irrigation and drainage in the Property so as to provide access to these services to lands abutting the Property. Such utilities, as well as Declarant, and their respective agents, employees, designees and assigns shall have full rights of ingress and egress over any Lot for all activities appropriately associated with the purposes of said easements. Furthermore, Declarant hereby grants to the County and any other governmental entities having appropriate jurisdiction over the Property an easement over, under, across and through the Common Property as may be required for the construction, maintenance and operation of certain utility services.

3.3 Common Properties. Subject to the provisions of Section 3.3.1 below, every Lot Owner shall have a non-exclusive right and easement of enjoyment in and to the Common Properties, if any, and such easement shall be appurtenant to and shall pass with the title to every Home situated within the Community.

3.3.1 Extent of Members' Easement. The rights and easements of enjoyment created herein shall be subject to the following:

3.3.1.1 the right of the Association to limit the use of the Common Properties to Lot Owners, their families and guests, in accordance with the applicable provisions of this Declaration;

3.3.1.2 the right of the Association to suspend the voting and enjoyment rights of a Lot Owner for any period during which any Assessment against his or her Lot remains overdue and unpaid, or for any infraction of the Rules and Regulations;

3.3.1.3 the right of the Association to dedicate or transfer all or any part of the Common Property to any public agency, authority or utility for such purposes and subject to such conditions as may be agreed to by the Lot Owners. No such dedication or transfer shall be effective unless the Members entitled to at least 2/3 of the Class A votes and all of the Class B votes agree to such dedication or transfer, provided that this Section shall not preclude the Board of Directors from granting easements for the installation and maintenance of electrical, telephone, special purpose cable for television and other uses, water and sewer, utilities and drainage facilities upon, over, under and across the Common Property without the assent of the membership; and

3.3.1.4 the right of the Association to impose reasonable covenants and restrictions with respect to the use of the Common Properties in addition to those set forth herein.

3.3.2 Extension of Rights and Benefits. Every Lot Owner shall have the right to extend the rights and easements of enjoyment vested in him under this Article to each of his tenants and to each member of his Family who resides with him and to such other persons as may be permitted by the Association.

3.4 Boundary Wall/Fence Easement. An easement is hereby reserved to Declarant and granted to the Association for the purpose of engineering, designing, constructing and maintaining any boundary wall or fence that may be constructed by Declarant, or the Association, which the Association has the obligation to maintain. Any boundary wall or fence constructed within said easement shall be the sole property of the Association. Once a boundary wall or fence has been constructed, the location of the easement with regard thereto shall be where the boundary wall or fence exists and such area adjacent to the boundary wall or fence necessary for ingress and egress and to construct and maintain such wall or fence. The blanket easement hereby granted shall not interfere with the provisions for access to the Homes and Lots, by curb cuts, driveways and the like. No boundary wall or fence shall be placed in a public utility easement.

3.5 Development Easements Reserved to Declarant. Declarant hereby reserves unto itself, and its successors and assigns, non-exclusive easements over, under, upon and through, as well as the right to grant non-exclusive easements over, under, upon and through the Property for the purposes of ingress to and egress, constructing and maintaining improvements, and to do all other activity necessary or associated with the development of the Community and each and every parcel thereof.

3.6 Right of Entry. All policemen, firemen, ambulance personnel, similar emergency personnel, utility company personnel and United States Postal Service personnel in the performance of their respective duties as well as agents or employees of Declarant shall have the right, but not the obligation, to enter into any Home or other building on the Property for emergency and safety reasons, and to abate nuisances (including, without limitation, false burglar alarms).

3.7 Multi-Media Services. Declarant may, but shall not be obligated to, coordinate and establish an agreement with one or more cable television, internet service, high speed access, satellite dish providers or other services ("Multi-Media Services") for the provision of Multi-Media Services to the Community and all Lots included therein. If such agreement is established, the fees for the Multi-Media Services payable to the multi-media service provider shall be a Common Expense. No Lot Owner may avoid or escape liability for any portion of these Common Expenses by election not to utilize any one or all of the Multi-Media Services. If Declarant executes any such agreement for Multi-Media Services, Declarant shall be entitled to retain for its sole benefit any marketing fees, door fees, or other consideration payable by the provider to Declarant and neither the Lot Owner nor the Association shall have any claim to such payments.

ALL PERSONS ARE HEREBY NOTIFIED THAT THE ASSOCIATION MAY BE A PARTY TO A CONTRACT FOR THE MULTI-MEDIA SERVICES SERVING THE COMMUNITY FOR A TERM WHICH EXTENDS BEYOND THE TURNOVER DATE AND THAT, IF SO PROVIDED IN SUCH CONTRACT, THE ASSESSMENTS PAYABLE AS TO EACH LOT WILL INCLUDE CHARGES PAYABLE BY THE ASSOCIATION UNDER SUCH CONTRACT, REGARDLESS OF WHETHER OR NOT THE OWNER OR MEMBERS OF SUCH LOT ELECT TO RECEIVE THE MULTI-MEDIA SERVICES.

3.8 Visual Security. Declarant may, but shall not be obligated to, coordinate and establish an agreement with one or more cable television service companies for the provision of a visual security service channel to the Community and all Lots included therein. If such agreement is established, the fees for the visual security service channel payable to the service provider shall be a Common Expense. No Lot Owner may avoid or escape liability for any portion of these Common Expenses by election not to utilize the visual security service channel.

3.9 Community Bulletin Board. Declarant may, but shall not be obligated to, coordinate and establish an agreement with one or more cable television service companies for the provision of a community bulletin board channel to the Community and all Lots included therein. If such agreement is established, the fees for the community bulletin board channel payable to the service provider shall be a Common Expense. No Lot Owner may avoid or escape liability for any portion of the Common Expenses by election not to utilize the community bulletin board channel.

3.10 General Restrictions on Use. The following covenants, restrictions and easements are hereby imposed on each Lot in the Community, and shall run with the land and be binding upon all Lot Owners, Residents, and other occupants and their respective successors and assigns:

3.10.1.1 No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover, relating to any portion of the Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of this Declaration, the Articles of Incorporation or By-Laws, the Association shall not be liable to any

person(s) for its failure to enforce the provisions of this Section. No activity specifically permitted by this Declaration shall be deemed a violation of this Section.

3.11 Leases. All leases or other occupancy agreements must be in writing and shall be subject to the prior written approval of the Association. At least fifteen (15) days prior to leasing entering into a lease or other occupancy agreement of a Home, a Lot Owner shall notify the Association in writing that the Lot Owner intends to lease a Home and shall provide the Association with a copy of the lease or occupancy agreement prior to execution, along with an application fee in an amount to be determined by the Board but not to exceed \$200.00, and such other information as the Association may reasonably require. The Association may require an interview and a thorough background and credit check of the tenants and any occupants that are (18) eighteen years of age or older by an investigation company chosen by or otherwise acceptable to the Association and at the sole expense of the Lot Owner and tenant, paid in advance. The Association, through its Board, may establish and amend rules and regulations concerning the criteria for approval and denial of proposed leases, including that the proposed tenant or occupant poses a danger or undue risk to the health, safety or general welfare of the community. Upon execution of such a lease, the Lot Owner shall provide the Association with an executed copy of the lease. In the event that a Lot Owner is delinquent in the payment of his or her Assessments or other sums due and owing to the Association, the Lot shall not be leased until such amounts are paid in full or unless the Association consents, in writing, to any such lease. If the Lot is leased in violation of this provision, the Association may terminate the lease and evict the tenants in addition to imposing all other available remedies. In the event a Lot Owner is in default in the payment of Assessments or other sums due and owing to the Association and the Lot Owner's Lot is leased, the Association shall have the right and authority to collect the rent to be paid by the tenant to the Lot Owner directly from the tenant. In the event such tenant fails to remit said rent directly to the Association within ten (10) days (but no later than the day the next rental payment is due) from the day the Association notified such tenant in writing that the rents must be remitted directly to the Association, the Association shall have the right to terminate the lease and evict the tenant. All sums received from the tenant shall be applied to the Owner's account for the leased Lot according to the priority established in Section 720.3085, Florida Statutes, until the Owner's account is current. All lease or occupancy agreements shall state, or if they do not, shall be deemed to state, that all tenants, occupants and any guests agree to abide by and adhere to the terms and conditions of this Declaration and all rules, regulations and policies of the Association; and that in the event of any violation of this Declaration or the rules and regulations, the Association shall have standing to evict the occupants under Chapter 83, Florida Statutes. In addition to any notice to a tenant of a Lot permitted to be given by law, a Lot Owner by acceptance of a deed to a Lot, does hereby irrevocably grant to the Association (and its officers, directors, designees, agents, and employees) and to any professional management or accounting firm providing management or accounting services to the Association, the right to notify, in writing, the tenant of the Lot of any delinquency by the Lot Owner of the Lot in payment of any monetary obligations due to the Association, including but not limited to the amount thereof. Further each Lot Owner hereby agrees and acknowledges that the disclosure of any of Lot Owner's delinquent monetary obligations due to the Association, as provided in the preceding sentence, shall not be construed or be deemed to be a violation of the Fair Debt Collection Practices Act. ("FDCPA") 15 U.S.C. Section 1692 et seq. The Association shall have the right to require upon notice to all Lot Owners that a substantially uniform form of lease or sub-lease be used by all Lot Owners (including Declarant) intending to rent or lease after said notice and to provide such form as a Common Expense. No lease shall be for a period of less

than seven (7) consecutive months in duration, and no more than two (2) leases shall be permitted in any twelve (12) month period. Declarant shall be exempt from the provisions of this Section, and this Section shall not be amended without the express prior written consent of Declarant for so long as Declarant owns any portion of the Property.

3.11.1 Division of Lands; Prohibition Against Timesharing. No Lot shall be subdivided or its boundary lines changed except by Declarant as to the Lots owned by Declarant and otherwise except with the prior written approval of the Board. The Board may permit a division in ownership of any Lot intended for a single family residence as shown on a plat, but solely for the purpose of increasing the size of the adjacent Lots. Declarant hereby expressly reserves the right to replat any Lots owned by Declarant. Any such division, boundary line change, or replatting shall not be in violation of the applicable subdivision and zoning regulations.

No portion of the Property shall be made subject to any type of timeshare program, interval ownership, vacation club or similar program (except for hotel lodging purposes by Declarant) whereby the right to exclusive use of the Home or other Lot rotates among multiple owners or members of the program on a fixed or floating time schedule over a period of years. This Section shall not prohibit ownership of such property by joint tenants or tenants-in-common nor shall it prohibit ownership by an owner who is not a natural person. Notwithstanding anything to the contrary, Declarant shall specifically be exempt from any timeshare or interval ownership development restrictions imposed by this Declaration and, in its sole discretion, may develop a timeshare regime or facility on any portion of the Property from time to time. No amendment or modification to this Section shall be effective without the prior written consent of Declarant for so long as Declarant owns any portion of the Property.

3.12 Restrictions on Use Applicable to Lots. The following covenants, restrictions and easements are hereby imposed on the Lots in the Community, and shall run with the land and be binding upon all Lot Owners, Residents, and other occupants and their respective successors and assigns:

3.12.1.1 Easements. Each Lot and the Common Property are hereby subjected to a permanent easement appurtenant to any adjoining Lot to permit the use, construction, existence, maintenance, repair and restoration of structures located on such adjoining Lot, including, but not limited to, fences, boundary walls, driveways, walkways and roof structures which overhang and encroach upon the subordinate Lot or Common Property, if any, provided that such structures were constructed by Declarant or the construction of such structure is permitted and approved as elsewhere herein provided. The owner of the dominant tenement shall have the right, at all reasonable times, to enter the easement area in order to make full use of such structure for its intended purposes and to maintain, repair and restore any improvements located on the dominant tenement; provided, however, that any such entry made for purposes of maintenance, restoration or repair shall be limited to daylight hours and shall only be made with the prior knowledge of the owner of the subordinate tenement. In case of emergency, the right of entry for maintenance, restoration or repair shall be immediate, not restricted as to time, and not be conditioned upon prior knowledge of the owner of the subordinate tenement. The owner of the subordinate tenement shall not place any improvement, material or obstacle in or over the easement area on the subordinate tenement which would unreasonably interfere with the rights of the owner of the dominant tenement granted by this

paragraph. Any such improvement, material or obstacle shall be promptly removed by the owner of the subordinate tenement at that owner's expense when requested by the owner of the dominant tenement or Declarant notwithstanding any lapse of time since such improvement, material or other obstacle was placed in or over the easement area.

3.12.1.2 Access by Association. The officers, employees, or designated agents of the Association have a right of entry onto the exterior of each Lot to the extent reasonably necessary to discharge any duty imposed, or exercise any right granted, by this Declaration or to investigate or enforce the provisions of the Declaration and the Rules and Regulations. Such right of entry must be exercised in a peaceful and reasonable manner at reasonable times, and the entry may be only upon reasonable notice whenever circumstances permit. Entry into any improvement upon any Lot may not be made without the consent of its Lot Owner or occupant for any purpose, except pursuant to court order, other authority conferred by law or in the event of an emergency. Such consent will not be unreasonably withheld or delayed.

3.12.1.3 General Easements. In the event that any part of any Home encroaches or shall hereafter encroach upon any part of any other Lot or the Common Property, valid easements for the maintenance of such encroachments are hereby established and shall exist so long as all or any part of the same shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of any Lot Owner if such encroachment or use is detrimental to or interferes with the reasonable use and enjoyment of the Home of another Lot Owner and if it occurred due to the willful conduct of any Lot Owner.

3.12.1.4 Potable Water. Each Lot shall be provided potable water (including for irrigation unless a reclaimed effluent irrigation system is installed) via a private system within the Community. There shall be one master meter at the front of the Community for potable water and sewer and sub-meters shall be installed at each Lot. The Association shall monitor the sub-meters installed at each Lot to determine the amount of potable water and sewer used by each Lot Owner and shall include the cost therefor plus any applicable service/monitoring fee as a special assessment to each Lot Owner, which shall be levied on a monthly basis; provided, the Association may engage a company to monitor the sub-meters on behalf of the Association, and the special assessment levied for water and sewer service may be issued directly by such company.

3.12.1.5 Irrigation.

3.12.1.5.1 Each Lot shall be required to have an automated lawn irrigation system with automated timers that connects to and shall be a part of the Central Irrigation System. The Central Irrigation System will make use of potable water for purposes of irrigation for the Lots and private well water for purposes of irrigation for the Common Areas. In order to ensure the efficient operation of the Central Irrigation System, the timer settings for each individual Lot shall be set in accordance with a watering schedule as established by the Association, the County or the WMD. The Association shall have the right to install a lock box on the automated timers. No Lot Owner shall disable or adjust the automated timers or interfere with the operation of the Central Irrigation System, such right being reserved to the Association, and shall be liable to the Association for any damage to the Central Irrigation System caused by the willful acts or negligence of such Lot Owner, such Lot Owner's tenants and their respective families, guests, contractors, licensees and invitees. In the event any Lot Owner violates the provisions of this section 3.12.1.5 and the landscaping on the Lot Owner's Lot is damaged as a result of such actions, the Lot Owner shall be solely responsible for the cost to repair any such damage. The water for individual Lot irrigation is supplied by the Association, which shall have the right to assess each Lot Owner for water supplied in accordance with the provisions of this Declaration. Such assessment may be included as part of the Common Expenses.

3.12.1.5.3 The Declarant, owner of the Central Irrigation System and the Association and their respective agents shall have a perpetual easement to enter upon any Lot to (i) monitor and set Central Irrigation System timers; and (ii) inspect, maintain, repair and replace portions of the Central Irrigation System on such Lot, and shall have the right to relocate such installations from time to time.

3.12.1.6.2 In the event of damage to or destruction by fire or other casualty of any party wall, including the foundation thereof, the Lot Owner upon which said party wall may rest shall have the obligation to repair or build such wall and the Lot Owner upon which such wall shall rest, be served or be benefited by shall pay his allocated portion of the cost of such repair or rebuilding. All such repair or rebuilding shall be done within a reasonable time, and in such workmanlike manner with materials comparable to those used in the original wall, and shall conform in all respects to the laws or ordinances regulating the

3.12.1.6.3 The foregoing provision of this section notwithstanding, the Lot Owner, or other interested party, shall retain the right to receive a larger contribution from another or others under any rule or law regarding liability for negligent or willful acts or omissions. The right of any Lot Owner, or other interested party, to contribution from any other Lot Owner under this section shall be appurtenant to the land and shall pass to such Lot Owner's or other person's successors in title.

3.12.1.6.4 The title held by each Lot Owner to the portion of each party wall within such Lot Owner's Lot is subject to a cross easement in favor of the adjoining Lot Owner for joint use of said wall.

The Association shall establish reserve accounts for the replacement of the roofs of the Homes. Payments into the reserve accounts shall be made by the Lot Owners as a General Lot Assessment. In the event of damage or destruction of the Common Roof from any causes, other than the negligence or willful act of any Lot Owner, or his or her contractors, licensees, invitees, guests, tenants, agents, employees or contract purchasers, the Association shall repair or rebuild the Common Roof on the same line, and be of the same size, and of the same or similar material and of like quality with the current roof and each Lot Owner, his heirs, successors and assigns shall have the right to use the Common Roof so repaired or rebuilt. The repairs and reconstruction of the Common Roof shall be undertaken whenever a condition exists which may result in damage or injury to any person or property. Any Lot Owner, upon discovering the possibility of damage or destruction, shall notify the other Lot Owners and the Association of the nature of the damage, the work required to remedy the situation and the estimated cost of the repair or reconstruction. If any negligence or willful act of the Lot Owner, his or her contractors, licensees, invitees, guests, tenants, agents, employees or contract purchasers shall cause damage to or destruction of the Common Roof, the negligent Lot Owner shall bear the entire cost of the repair or reconstruction. If any Lot Owner shall neglect or refuse to pay the Lot Owner's share, or all of the costs in the case of negligence or willful act, then the Association or other Lot Owners shall have the roof repaired or restored and shall be entitled to have a construction lien and lis pendens on the Home of the Lot Owner failing to pay for the amount of such defaulting Lot Owner's share of the repair or replacement cost.

In addition, any notice or report shall be sent by certified mail, properly addressed and postage pre-paid.

3.12.1.7.3 Insurance. Each Lot Owner shall be required to obtain, and maintain, "All Risks" insurance for his respective Home in an amount equal to one hundred percent (100%) of the full replacement value of his Home, without deductions for depreciation. The Lot Owners shall not do or permit any act or thing to be done in or to the Common Roof contrary to law or which invalidates or is in conflict with the Lot Owner's insurance policy. The Lot Owners shall provide proof of insurance as required herein to the Association.

3.12.1.7.4 Indemnification. Such sign shall contain no other wording than "For Sale" or "For Rent", the name, address and telephone number of one (1) registered real estate broker, or a telephone number of a Lot Owner or his agent. The sign shall have a blue background with white letters. In no event shall more than one (1) sign ever be placed on any Lot in any place. Notwithstanding the foregoing provisions, the Declarant specifically reserves the right, for itself and its agents, employees, nominees and assigns the right, privilege and easement to construct, place and maintain upon the Property such signs as it deems appropriate in connection with the development, improvement, construction, marketing and sale of any portion of the Property. 3.12.1.8.3 Security Sign Display. Any Lot Owner may display a sign of reasonable size provided by a contractor for security services within ten (10) feet of any entrance to the Home. The Association may promulgate Rules and Regulations in furtherance of this Section; provided, however, that no such rules or regulations will inhibit the rights of a Member pursuant to Section 720.304(6) of the Act.

3.12.1.8.4 Declarant Exemption: Amendment to Provisions Concerning Signs. Declarant is specifically exempt from the provisions of this Section 3.12.1.8, and as such shall be entitled to erect such signs as it deems necessary or desirable in Declarant's sole discretion from time to time. No amendment or modification to this Section 3.12.1.8 pertaining to signs shall be effective without the prior written consent of Declarant for so long as Declarant owns any portion of the Property.

3.12.1.9 Access Ramp. Any Lot Owner may construct an access ramp on their Lot, if a resident or occupant of the Lot has a medical necessity or disability that requires a ramp for egress and ingress, under the following conditions:

3.12.1.9.1 The ramp must be as unobtrusive as possible, be designed to blend in aesthetically as practicable, and be reasonably sized to fit the intended use.

3.12.1.9.2 Plans for the ramp must be submitted in advance to the Association. The Association may make reasonable requests to modify the design to achieve architectural consistency with surrounding structures and surfaces.

3.12.1.9.3 The Lot Owner must submit to the Association an affidavit from a physician attesting to the medical necessity or disability of the resident or occupant of the Lot requiring the access ramp. Replacement, repair and maintenance of the mailbox kiosk(s) shall be the obligation of the Association and deemed a part of the Common Expenses.

3.12.1.11 Satellite Dishes. Satellite dishes, aerials, antennas and all lines and equipment related thereto located wholly within the enclosed portions of a Home

contained on a Lot shall be permitted without any requirement for approval from the Board of Directors or ARC. The Association shall have the right and authority, in its sole discretion and from time to time, to promulgate Rules and Regulations concerning the size and location of, and safety restrictions pertaining to, the installation of such television signal reception equipment. Notwithstanding any provision to the contrary, (a) the Association, in its discretion and from time to time, shall have the power and ability to erect or install any satellite dish, aerial or antenna or any similar structure on the Common Property, provided that such satellite dish, aerial or antenna be solely utilized for the reception of television signals to be utilized by the residents of the Community or for security purposes, and (b) only antennae, aerials and satellite dishes which are designed to receive television signals shall be permitted (i.e., no antennae and satellite dishes which broadcast a signal shall be permitted).

3.12.1.12 Solar Collectors. The ARC must approve all solar panels and energy conservation equipment prior to installation of such equipment on a Home contained on a Lot. All solar heating apparatus must conform to the standards set forth in the HUD Intermediate Minimum Property Standards Supplement, Solar Heating, and Domestic Water Systems, or other applicable governmental regulations and/or ordinances. No solar energy collector panels or attendant hardware or other energy conservation equipment shall be constructed or installed unless it is an integral and harmonious part of the architectural design of a structure, as reasonably determined by the ARC. No solar panel, vents, or other roof-mounted, mechanical equipment shall project more than one (1) foot above the surface of the roof of a Home contained on a Lot, and all such equipment, other than solar panels, shall be painted consistent with the color scheme of the portion of the Home for which such equipment is installed. This provision is not intended to prohibit the use of energy conservation devices.

3.12.1.13 Automobile Garage. No automobile garage shall be permanently enclosed and converted to other use without the substitution of another enclosed automobile storage facility upon the Lot. All Lots shall have a paved driveway of stable and permanent construction, as further provided in Section 3.12.1.17 herein.

3.12.1.14.1 No more than a total of three (3) commonly accepted household pets (such as dogs and cats) may be kept on a Lot or within a Home contained on a Lot. However, under no circumstances will any dog who is vicious or ill-tempered be permitted on any portion of the Property.

3.12.1.14.2 Swine, goats, horses, pigs, cattle, sheep, chickens, and the like, are hereby specifically prohibited from being kept in the Community. Animals, fowl, birds and reptiles which are deemed by the Board to be obnoxious are prohibited. The determination of what is or what may be obnoxious shall be determined by the Association in its sole discretion. No animal breeding or sales as a business shall be permitted in the Community.

3.12.1.14.3 A determination by the Board that an animal or pet kept or harbored in a Home on a Lot is a nuisance shall be conclusive and binding on all parties. 3.12.1.14.4 Each Lot Owner, by virtue of taking title to a Lot, and each Resident shall indemnify the Association and Declarant and hold them harmless from and against any loss or liability of any kind or character whatsoever arising from such Lot Owner or Resident having any pet upon a Lot or any other portion of any property subject to this Declaration. The Association shall have the power and right to promulgate Rules and Regulations in furtherance of the provisions of this Section, including, but not limited to, weight limitations, the number of pets and breeds of pets.

3.12.1.14.5 Notwithstanding any provision herein to the contrary, Declarant, in its sole discretion and as it may deem necessary and appropriate, shall be entitled to grant a waiver to the three (3) pet requirement in connection with the initial conveyance of a Lot from the Declarant to a third party. In the event such a waiver is granted (which shall be in writing and shall specifically reference this subsection and shall be delivered to the Association for inclusion in its official records), the Lot Owner shall be permitted to maintain any such pet(s) which exceed the three (3) pet limit for the remainder of such pet(s) life, but shall not be entitled to replace any pet that dies for so long as the three (3) pet limit is exceeded. By way of example, if a waiver is granted to permit four (4) pets, when one pet dies, it cannot be replaced, but upon the death of two pets, the owner shall then be permitted to replace one of the pets so as to be in compliance with the three (3) pet limit. Any pet causing or creating a nuisance or unreasonable disturbance shall be permanently removed from the Property upon three (3) days' written notice by the Association to the Lot Owner thereof or to the owner of the Lot containing such pet.

For the purposes of this Declaration, "commercial vehicle" means a vehicle which is determined by the Association to be for a commercial purpose, including permanent attachments to the vehicle which exceed six (6) feet eight (8) inches in height, (and the Association shall take into consideration, among other factors, lettering, graphics or signage located on or affixed to the exterior of the vehicle which identifies a business or commercial enterprise, but the existence of such lettering, graphics or signage shall not be absolute). Police cars shall not be deemed commercial vehicles. Additionally, work vans which contain no lettering, graphics or advertising shall be deemed commercial vehicles. 3.12.1.15.8 This Section does not apply to vehicles utilized for sales, construction or maintenance operations of or by Declarant or the Association.

3.12.1.15.9 No amendment or modification to this Section shall be effective without the prior written consent of Declarant for so long as Declarant owns any portion of the Property.

3.12.1.15.10 The Association may, but shall not be obligated to, promulgate Rules and Regulations and clarify the provisions and objectives of this Section.

3.12.1.15.11 No mobile homes or campers may be used as a residence whether on a Lot or Common Property. No recreation vehicle, including but not limited to golf carts, all-terrain vehicles, mini cycles and other non street legal vehicles, may be used for any purpose on any of the Lots or Common Properties including rights of way within the Properties. Nothing in this Section shall prohibit the use of bicycles, skateboards or non-

motorized scooters, on rights of way or Common Properties in accordance with the Rules and Regulations.

3.12.1.15.12 Any vehicle parked in violation of this Section 3.12.1.15 (or the rules and regulations adopted by the Association from time to time to implement this Section) may be towed by the Association at the sole expense and risk of the vehicle's owner if such vehicle remains in violation from the time a notice of violation is placed upon the vehicle. The Association shall not be liable to the owner of the vehicle for trespass, conversion, damages, or otherwise, by reason of such towing, and neither removal of the vehicle nor failure to provide a notice of violation to the vehicle's owner shall be grounds for relief of any kind. Once the notice is posted, neither its removal, nor failure of the vehicle's owner to receive it for any other reason, shall be grounds for relief of any kind. An affidavit of the person posting such notice stating that it was properly posted shall be conclusive evidence of proper posting.

3.12.1.16 Firearms. The discharge of firearms within the Community is prohibited. The term "firearms" includes "B-B" guns, paintball guns, pellet guns, and other firearms of all types, regardless of size.

3.12.1.17 Driveways. All driveways in the Community shall be paved and/or constructed of bricks or pavers and of stable and permanent construction. (Declarant shall be exempt from this approval requirement with regard to Declarant-owned Lots).

3.12.1.21 Insurance Rates. Nothing shall be done or kept in the Property which will increase the rate of insurance on any property insured by the Association without the approval of the Board, nor shall anything be done or kept on any Lot or the Common Properties which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

3.12.1.22 Sight Distance at Intersections. All portions of the Property located at street intersections shall be landscaped in a manner so as to permit safe sight across the street corners. No fence, wall, hedge, or shrub planting shall be placed or permitted to remain where it would create a traffic or sight problem, as the same is determined by the Board; provided, however, that the foregoing restriction shall in no manner be deemed applicable to any walls which serve to border or exist along or directly adjacent to one or more Lots.

3.12.1.29.1 No fences, walls or hedges may be installed upon a Lot by any Lot Owner. The prohibition contained in this paragraph shall not apply to Declarant for so long as Declarant owns any Lot within the Community. No amenity fence shall be installed within any public utility easement areas. Additionally no fence may be installed in any drainage easement area without specific approval from the local governmental agencies and in no event shall any approved fence within a drainage easement area be installed in such a manner as to impede or affect the flow of water within the drainage easement area. Declarant or the Association may from time to time install yard drainage grates and pipes within any drainage easement areas. The Lot Owner shall be solely responsible for the maintenance of such drainage grate and pipes. In the event the Lot Owner fails to properly maintain the drainage grate and/or drainage pipes the Association may do so at the cost of the Lot Owner (which cost shall be recouped through the levy of a Special Lot Assessment).

3.12.1.29.2 Reserved.

Furthermore, no Lot Owner shall remove, damage, trim, prune or otherwise alter any tree in the Community, except if the trimming, pruning or other alteration of such tree is necessary because the tree or a portion thereof creates an eminent danger to person or property and there is not sufficient time to contact the Association for its approval.

It is the express intention of this Section 3.12.1.30 that the trees existing in the Community at the time of the recording of this Declaration, and those permitted to grow in the Community after said time, be preserved and maintained as best as possible in their natural state and condition. Accordingly, these provisions shall be construed in a manner most favorable to the preservation of that policy and intent.

Notwithstanding any provision to the contrary contained in this Declaration or in any rules promulgated by the Association, a Lot Owner shall be required to satisfy all applicable governmental requirements pertaining to the trimming, pruning or other alteration of trees contained within the Community.

Prior to removal or substantial pruning of any tree within a Lot or on Common Properties, authorization from the County may be required prior to such removal or substantial pruning.

3.12.2 Home Business Use. No trade or business may be conducted in or from any Home on a Lot, except that a Lot Owner, Resident or occupant residing in a Home on a Lot may conduct business activities within such Home so long as: (a) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Home; (b) the business activity conforms to all governmental requirements; (c) the business activity does not involve persons coming onto the residential properties who do not reside in the Property or door-to-door solicitation of residents of the Property; and (d) the business activity is consistent with the residential character of the Home and does not constitute a nuisance, or a hazardous or offensive use, or threaten the privacy or safety of other residents of the Property, as may be determined in the sole discretion of the Board. The terms "business" and "trade", as used in this subsection, shall be construed to have their ordinary, generally accepted meanings, and shall include, without limitation, any occupation, work or activity undertaken on an ongoing basis which involves the provision of goods or services to persons other than the provider's family and for which the provider receives a fee, compensation, or other form of consideration, regardless of whether: (i) such activity is engaged in full or part-time; (ii) such activity is intended to or does generate a profit; or (iii) a license is required therefor. Notwithstanding the above, the leasing of a Home shall not be considered a trade or business within the meaning of this Section.

Every person, firm or corporation purchasing a Lot recognizes that Declarant and its agents and designated assigns have and shall have the right to (i) use Lots for sales offices, field construction offices, storage facilities, general business offices, a sales/model center and (ii) maintain fluorescent lighted or spotlight furnished model homes in the Community open to the public for inspection seven (7) days per week for such hours as are deemed necessary by the Declarant. Declarant's rights under the preceding sentence shall terminate on the date that is twenty (20) years after this Declaration is recorded, or for so long as Declarant operates a sales model center within the Community; provided, however, that if Declarant determines it is appropriate to terminate such rights prior to either of the foregoing occurrences, Declarant may do so by recording its abandonment of such rights by an instrument recorded in the public records of the County. It is the express intention of this Section that the rights granted Declarant to maintain sales offices, general business offices, a sales/model center and model homes shall not be restricted or limited to Declarant's sales activity relating to the Community but shall benefit Declarant in the construction, development and sale of such other property and Lots which Declarant may own.

3.12.2.1 Extended Vacation or Absences. In the event a Home on a Lot will not be occupied for an extended period of time, such Home must be prepared prior to departure by:

3.12.2.1.1 notifying the Association of such absence and the anticipated date of return;

3.12.2.1.2 removing all removable furniture, plants and other items of personal property from the exterior of the Home; and

3.12.2.1.3 designating a person or entity to care for the Home and lawn/landscaping during such period of absence (both in terms of routine care and in the event of damage) and providing necessary access to the Home (the Lot Owner is required to provide the Association with the name and telephone number of the designated person or entity).

The Association hereby disclaims any responsibility with regard to each unoccupied Home on a Lot, and the Lot Owner hereby acknowledges and agrees that the Association has no duty with regard to any unoccupied Home under this Section.

3.12.2.2 Storm Shutters. Subject to applicable law, storm shutters and other similar equipment shall only be permitted upon the prior written approval of the ARC in accordance with the ARC Guidelines. Storm shutters and other similar equipment shall only be permitted to be closed or otherwise put into use or activated in direct anticipation of severe weather.

3.12.2.3 Garage Sales. The Association is permitted to hold two (2) community garage sales or other private sales of a similar nature within any twelve (12) month period, it being Declarant's intention to restrict and control such events from being a constant basis within the Community. The Board shall provide the Members of the Association prior written notice that a sale will be occurring, and such notice shall be delivered to the Members of the Association not less than five (5) business days prior to the date of such sale. No Lot Owner is permitted to hold a garage sale or other private sales of a similar nature.

3.12.2.4 Sound Transmission. Each Lot Owner, by acceptance of a deed or other conveyance of their Lot, hereby acknowledges and agrees that sound and impact noise transmission is very difficult to control, and that noises from adjoining or nearby Homes and Lots and/or mechanical equipment can be heard in another Home or upon another Lot. Declarant does not make any representation or warranty as to the level of sound or impact noise transmission between and among Homes and Lots and the other portions of the Property, and each Lot Owner hereby waives and expressly releases, to the extent not prohibited by applicable law as to the date of this Declaration, any such warranty and claims for loss or damages resulting from sound or impact noise transmission.

3.12.2.5 Basketball Goals. The use of portable basketball equipment shall be permitted on a Lot, provided that such equipment shall be stored inside the Home's garage when not in use and all basketball play shall occur on the Lot surface and not within or upon any roadway surface. No basketball equipment or hoops shall be affixed to the exterior portion of any Home.

3.12.2.6 Swing Sets and Playground Equipment. No swing set or playground equipment or other similar devices or items shall be placed on a Lot.

3.12.2.7 Size of Homes on the Lots. All Homes on Lots constructed within the Community shall contain a minimum of 1,100 square feet of air-conditioned living area. For purposes of the preceding sentence, "living area" shall be deemed to exclude garage areas. All such Homes shall have at least one (1) inside bath. A "bath", for the purposes of this Declaration, shall be deemed to be a room containing at least one (1) shower or tub and a toilet and wash basin. All such Homes shall have at least a one (1) car side-entry garage attached to and made part of the Home. No such Home shall exceed two and one-half (2 ½) stories, nor forty-five (45) feet in height. All such Homes shall be constructed with concrete or brick paver driveways and grassed front, side and rear lawns. Each such Home shall have a shrubby planting in front of the Home.

3.12.2.8 Clothes Hanging and Drying. All outdoor clothes hanging and drying activities shall be done in a manner so as not to be visible from any front street or side street or any adjacent or abutting property and are hereby restricted to the areas between the rear dwelling line and the rear yard line and, in the cases of Lots bordering a side street, to that portion of the aforescribed area which is not between the side street and the side dwelling line. All clothes poles shall be capable of being lifted and removed by one (1) person within fifteen (15) minutes time and shall be removed by the Lot Owner when not in actual use for clothes drying purposes.

3.12.2.9 Wells. The drilling, construction, installation or use of an underground well of any kind on any Lots is strictly prohibited. This restriction shall not preclude the Declarant from developing wells in the Common Property in conformance with governmental regulations.

3.12.2.10 Front Porch and Garage. The front porch, if any, and garage of any Home shall not be enclosed with permanent or temporary screening.

3.12.2.11 Doors. No exterior front door on a Home shall have a screen door.

3.13 Rules and Regulations. The Board may from time to time adopt, or amend previously adopted, rules and regulations governing (i) the interpretation and more detailed implementation of the restrictions set forth in this Declaration, including those which would guide the ARC in the uniform enforcement of the foregoing general restrictions, and (ii) the details of the operation, use, maintenance, management and control of the Common Properties; provided, however, that copies of such Rules and Regulations shall be furnished to each Lot Owner prior to the time same becoming effective and provided that said Rules and Regulations are a reasonable exercise of the Association's power and authority based upon the overall concepts and provisions of this Declaration.

3.14 Provisions Inoperative as to Initial Construction. Nothing contained in this Declaration will be interpreted, construed or applied to prevent Declarant, or a third party with the prior written consent of Declarant (so long as Declarant is an owner of any portion of the Property) and the Association or its or their contractors, subcontractors, agents, and employees,

from doing or performing on all or any part of the Property owned or controlled by Declarant as same determines to be reasonably necessary or convenient to complete the development of the Community, including, but not limited to:

3.14.1 Improvements. Erecting, constructing, and maintaining such structures and other improvements as may be reasonably necessary or convenient for the conduct of such Declarant's or other permitted Lot Owner's business of completing the development of the Community.

3.14.2 Development. Conducting thereon its business of completing the development and disposing of the same by sale, lease or otherwise. However, any and all Work described herein and proposed to be performed must be performed in accordance with the provisions of the ARC Guidelines.

3.14.3 Signs. Maintaining such signs as may be reasonably necessary or convenient in connection with the development or the sale, lease or other transfer of Homes and/or Lots.

3.15 Ingress and Egress. Each Lot Owner shall have a perpetual, unrestricted easement over, across and through the Common Property for the purpose of ingress to and egress from his Lot, subject only to the right of the Association to impose reasonable and non-discriminatory Rules and Regulations governing the manner in which such easement is exercised, which easement shall be appurtenant to and pass with ownership to each Lot.

3.16 Continuous Maintenance of Easements by Association. The Association shall be responsible for the continuous maintenance of the easements and rights-of-way of the drainage system located on the Property. This obligation shall run with the land as do other provisions of this Declaration, and any Lot Owner may enforce this covenant and will be entitled to costs and fees, pursuant to Section 16.1 hereof, which result from such enforcement.

3.17 Restrictions on Use of Lakes, Ponds, Waterways, Wetlands, or Other Bodies of Water. With respect to any lakes, ponds, waterways, wetlands or other bodies of water located on the Property, no Lot Owner, Resident or any temporary occupant of a Home shall: (i) disturb, remove, alter or in any way disrupt vegetation thereon; (ii) construct permanent or temporary docks or seawalls; or (iii) connect to any lake, waterway, wetland or other body of water through the use of a well, pump, ditch or other system of any nature for any purpose, including, but not limited to, lawn irrigation, lawn maintenance, water features or for any other use. In addition, no Lot Owner, Resident or any temporary occupant of a Home shall dig a well on any Lot for any purpose, including but not limited to, lawn irrigation, lawn maintenance, water features or for any other use. The provisions of this Section shall not apply to Declarant. No amendment to this Section shall be effective without the express prior written consent of Declarant.

3.18 Private Street. No portion of any private streets located within the Community shall be altered without the prior written approval of the County Engineer or his/her authorized designee.

Article IV: Architectural Control

4.1 ARC Guidelines. The ARC has adopted, and shall adopt from time to time, restrictions and guidelines that shall apply to each and every Lot and Home now or hereafter located on a Lot within the Community, which restrictions and guidelines may change from time to time ("ARC Guidelines"). The Association will maintain a copy of the ARC Guidelines at its office of record and will make such ARC Guidelines available to Lot Owners to review and copy.

4.2 Approval of Plans; Architectural Review Committee.

4.2.1 For the purpose of further insuring the development of the Community as a residential area of the highest quality and standards, and in order that all improvements on each Lot and with regard to a Home (including landscaping) shall present an attractive and pleasing appearance from all side of view, the ARC, consisting of not less than three (3) nor more than five (5) members appointed by the Board, shall have the exclusive power and discretion to control and approve all of the improvements on each Lot in the manner and to the extent set forth herein.

4.2.2 Notwithstanding any provision to the contrary, Declarant shall be entitled to appoint all members of the ARC until such time as Declarant no longer owns any portion of the Property. Upon such time as Declarant no longer owns any portion of the Property, the members of the ARC shall be appointed by the Board.

4.2.3 No Home, building, fence, wall, mail box, utility yard, driveway, walkway, deck, sign (including "For Sale" signs), recreation equipment, patio, spa, landscaping or other structure or improvement, regardless of size or purpose, whether attached to or detached from the Home, shall be commenced, placed, erected, or allowed to remain on any Lot, nor shall any modification, addition to, or exterior change or alteration thereto be made, unless and until a request therefor has been submitted to and approved in writing by the ARC.

4.2.4 The ARC is authorized, but shall not be obligated, to require that the applicant for such approval include together with the request therefor such plans, specifications, drawings, information and materials as the ARC may request in order to make an informed decision, which may include in the case of a request for approval of the construction of a Home the following:

4.2.4.1 Two (2) copies of a site plan showing the location of all improvements, structures, enclosures, fences, walls, driveways, sidewalks, and mechanical equipment for air conditioning, and the like. The site plan may also include the overall dimensions of the Lot and the overall dimensions of all improvements and the distances from the Lot lines. The site plan may set forth the information pertaining to grading and drainage, including, but not limited to, finished floor elevation(s) of the Home and elevations of the pool deck, patio(s) and other exterior slabs, the elevation of all Lot corners and the directions of surface water runoff. One copy of such site plan shall be retained by the ARC as a permanent record.

4.2.4.2 Two (2) copies of complete, final building plans setting forth the foundation and floor plans, front, rear and side elevations and such cross sections as may be

required for evaluation of the plans by the ARC. Such plans shall show all appropriate dimensions, roof pitches and sizes and types of exposed materials. One copy of such final building plans shall be retained by the ARC as a permanent record.

4.2.5 The ARC is authorized, but shall not be obligated to require two (2) copies of outline (summary) specifications detailing the size, kind, type and quality of materials to be utilized in the construction of the Home to be erected on the Lot. Color specifications may include accurate representations or samples of all exterior materials including, but not limited to, roofing, paints, stains, masonry and tile. One copy of such specifications and samples shall be retained by the ARC as a permanent record.

4.2.6 The ARC is authorized, but shall not be obligated to require two (2) copies of complete landscaping plans detailing the kind, quality, location and dimensions of all plants, trees, and shrubs, ground cover, decorative structures and planters, and landscape materials. The ARC may require that landscaping plans submitted for the initial construction of a Home may also include a detailed breakdown of the quantities of individual plant materials to be utilized and their respective prices in order for the ARC to evaluate the value of the landscaping as required hereunder. One copy of such landscaping plan and budget shall be retained by the ARC as a permanent record.

4.3 Review Factors. In passing upon plans and specifications, the ARC may take into consideration such factors as it deems appropriate, including, without limitation, the suitability and desirability of the proposed construction and of the materials of which the same are proposed to be built, the Lot upon which they are proposed to be installed, the quality of the proposed workmanship and materials, the harmony of external design with the surrounding Community, and the effect and appearance of such construction as viewed from neighboring Lots and Common Properties.

4.4 Timing. The ARC shall have thirty (30) business days from submittal of a full and complete package within which to approve or reject said plans and specifications. In the event the ARC fails within said thirty (30) business days to approve or disapprove such plans and specifications, or request additional information, approval of such plans and specifications shall be deemed denied. The ARC shall have the absolute and exclusive right to refuse to approve any such building plans and specifications and Lot grading and landscaping plans which are not suitable or desirable in its opinion for any reason, including purely aesthetic reasons and reasons relating to future development plans of Declarant for the Community and adjacent properties. In the event the ARC rejects such plans and specifications as submitted, the ARC shall so inform the Lot Owner in writing (by U.S. Mail addressed to the applicant's address indicated on the submittal) stating with reasonable detail the reason(s) for disapproval and the ARC's recommendations to remedy same if, in the sole opinion of the ARC, a satisfactory remedy is possible. In the event that the applicant makes the changes requested by the ARC within ninety (90) days after approval is denied and resubmits its application in conformity with the requirements of this Declaration, the plans and specifications shall be approved by the ARC within thirty (30) business days after re-submission.

Upon the ARC's written approval, construction shall be started and pursued to completion diligently, continuously and promptly and in substantial conformity with the approval plans and specifications. Except as provided herein for construction of a Dwelling, in

no event shall the construction period extend more than one year and best efforts made so that any exterior construction may be completed within six (6) months unless otherwise provided by the ARC. The ARC shall be entitled to stop any construction in violation of these restrictions, and any exterior addition to or change or alteration made without application having first been made and approval obtained as provided above, shall be deemed to be in violation of this covenant and may be required to be restored to the original approved condition at the Lot Owner's expense.

4.5 Review Fees. The ARC shall have the right (but shall not be required) to charge a fee (not to exceed \$100.00) for reviewing each application for approval of plans and specifications and an additional fee (not to exceed \$50.00) for reviewing the landscaping plans.

4.6 Published Standards. The ARC may, from time to time, publish certain restrictions, specifications, materials, and standards to be followed. The provisions of such published information promulgated by the ARC from time to time shall be deemed to be a part of this Declaration and are incorporated herein by this reference.

4.7 Restitution. Any damages to roads, ditches, natural areas, ponds, lakes or other water bodies, or other improvements on or serving the Community as a whole caused by any Lot Owner, Lot Owner's contractor or subcontractor shall be repaired (in conformity with such requirements as the Board may impose) by the Lot Owner of the Lot upon which or for whose benefit the construction activity is taking place. Should any Lot Owner, after ten (10) days notice, fail or refuse to make said repairs, the Association may make said repairs and the cost therefor shall be payable by the Lot Owner to the Association within five (5) days after demand therefor.

4.8 Liability of the ARC and the Board of Directors. Notwithstanding anything in this Article to the contrary, the ARC and the Board shall merely have the right, but not the duty, to exercise architectural control in a particular matter, and shall not be liable to any Lot Owner, the Association, or any other entity due to the exercise or non-exercise of such control, or the approval or disapproval of any improvements. Furthermore, the approval of any plans or specifications or any improvement shall not be deemed to be a determination or warranty that such plans or specifications or improvements:

- 4.8.1 are complete or do not contain defects; or
- 4.8.2 in fact meet any standards, guidelines and/or criteria of the ARC or the Board; or
- 4.8.3 are in fact architecturally or aesthetically appropriate; or
- 4.8.4 comply with any applicable governmental requirements.

Furthermore, the ARC and the Board shall not be liable for any defect or deficiency in such plans or specifications or improvements or any injury resulting therefrom.

4.9 Completion of Work Remedy. When Work on any improvement is once begun, such Work thereon must be prosecuted diligently and completed within a reasonable time. If for any reason such Work is discontinued or there is no substantial progress toward

completion for a continuous sixty (60) day period, then the ARC shall have the right to notify the Lot Owner of its intentions herein, enter the Lot and take such steps as might be required to correct the undesirable appearance or existence of the Home, including, but not limited to, demolition and/or removal thereof, and/or pursuit of any of the remedies under this Declaration as the ARC determines, and charge the Lot Owner for all costs associated therewith, which shall include all costs and attorneys' fees. The reason for such correction shall be solely in the discretion of the ARC and may include, but shall not be limited to, aesthetic grounds. The ARC shall have the authority, on behalf of the Board, to enter into such contracts as may be necessary to undertake the remedial and necessary actions on the Lot, including the right to enter into a contract with Declarant to undertake such actions. In addition, any failure to undertake Work under this Section shall require the offending Lot Owner to resubmit plans and specifications to the ARC for approval prior to undertaking any new Work on the Lot.

4.10 Hillsborough County Land Development Code. Nothing in this Article IV shall be construed to circumvent the Hillsborough County Land Development Code and all improvements constructed on a Lot shall be constructed in conformance with the Hillsborough County Land Development Code. In the event of any inconsistency between the provisions of this Declaration and the Hillsborough County Land Development Code, the most restrictive provision shall control.

Article V: Membership and Voting Rights

5.1 Membership. Every Lot Owner that is subject to assessment under Article VIII of this Declaration shall become a Member of the Association upon the recording of the instrument of conveyance. If title to a Lot is held by more than one person, each such person is a Member. A Lot Owner of more than one Lot is entitled to one membership for each Lot owned. Each membership is appurtenant to the Lot upon which it is based and is transferred automatically by conveyance of title to that Lot whether or not mention thereof is made in such conveyance of title. No person other than a Lot Owner may be a Member of the Association, and a membership in the Association may not be transferred except by the transfer of title to a Lot; provided, however, the foregoing does not prohibit the assignment of membership and voting rights by a Lot Owner who is a contract seller to such Lot Owner's vendee in possession.

5.2 Voting. The Association shall have two (2) classes of voting membership: Class A and Class B. So long as there is Class B membership, Class A Members are all Lot Owners except Declarant. The Class B Member shall be Declarant. Upon termination of Class B membership, as provided below, the Class A Members are all Lot Owners including Declarant so long as such Declarant is a Lot Owner. Subject to the provisions of Section 5.3 of this Article, all Class A Members are entitled to cast one (1) vote for each Lot owned. Prior to termination of Class B Membership and the Transfer of Control described in Section 5.4 of this Article, the Class B Member shall be entitled to three (3) votes for each Lot owned. As provided in the Articles of Incorporation, the Class B Member is entitled to appoint the Association's directors until termination of Class B membership.

5.3 Co-Ownership. If more than one person owns an interest in any Lot, all such persons are Members, but there may be only one vote cast with respect to such Lot. Such vote may be exercised as the co-owners determine among themselves, but no split vote is permitted. Prior to any meeting at which a vote is to be taken, each co-owner must file the name of the

voting co-owner with the secretary of the Association to be entitled to vote at such meeting, unless such co-owners have filed a general voting authority with the secretary applicable to all votes until rescinded. Notwithstanding the foregoing, if title to any Lot is held in a tenancy by the entireties, either tenant is entitled to cast the vote for such Lot unless and until the Association is notified otherwise in writing.

5.4 Termination of Class B Membership; Transfer of Control. Prior to termination of Class B membership, Declarant shall be entitled to solely appoint all members of the Board. From time to time, Class B membership may cease and be converted to Class A membership, and Members other than Declarant shall be entitled to elect a majority of the members of the Board, upon the happening of the earliest of the following events:

5.4.1 Three (3) months after 90% of the Lots in all portions of the Community which are or may be ultimately subject to governance by the Association have been conveyed to third party Lot Owners; or

5.4.2 when the Declarant waives in writing its right to Class B membership, which waiver shall be evidenced by the recording of a certificate to such effect in the public records of the County; or

5.4.3 Twenty (20) years after this Declaration is recorded in the Public Records of the County, Florida; or

5.4.4 Upon the Declarant abandoning or deserting its responsibility to maintain and complete the amenities or infrastructure as disclosed in the governing documents of the Community; or

5.4.5 Upon the Declarant filing a petition seeking protection under Chapter 7 of the federal Bankruptcy Code; or

5.4.6 Upon the Declarant losing title to the Property through a foreclosure action or the transfer of a deed in lieu of foreclosure, unless the successor owner has accepted an assignment of developer rights and responsibilities first arising after the date of such assignment; or

5.4.7 Upon a receiver for the Declarant being appointed by a circuit court and not being discharged within thirty (30) days after such appointment, unless the court determines within thirty (30) days after such appointment that transfer of control would be detrimental to the Association or its members.

Notwithstanding the foregoing, Members other than the Declarant are entitled to elect at least one (1) member of the Board if 50% of the Lots in all phases of the Community which will ultimately be operated by the Association have been conveyed to members. Notwithstanding the foregoing, despite an event of transfer of control having occurred, Declarant shall be entitled to appoint at least one (1) member to the Board, but not more members which would constitute a majority of the Board, as long as the Declarant holds for sale in the ordinary course of business at least 5% of the collective total number of Lots which are or may ultimately be contained within the Community.

Article VI: Rights and Obligations of the Association

6.1 Association. The Association shall govern, make Rules and Regulations, control and manage the Lots and Common Properties, if any, located on the Property pursuant to the terms and provisions of this Declaration and the Articles of Incorporation and By-Laws. The Association shall at all times pay the real property ad valorem taxes on any Common Properties if said taxes are billed to the Association as differentiated from being billed to the Lot Owner and pay any governmental liens assessed against the Common Properties. The Association shall further have the obligation and responsibility for the hiring of certain personnel and purchasing and maintaining such equipment as may be necessary for maintenance, repair, upkeep and replacement of any Common Properties and facilities which may be located thereon, the performance of any of its maintenance obligations and performance of such other duties as are set forth herein, as follows:

6.1.1 Notwithstanding the foregoing, the Association may, but is not obligated to, employ community access or patrol services or personnel. If community access or patrol services or personnel are employed by the Association, the Board of Directors shall determine, in its sole discretion, the schedule and cost of expense of such access or patrol services or personnel. Declarant, while in control of the Association, does not intend to hire or pay for access or patrol services or personnel. Each Lot Owner, by virtue of taking title to a Lot, consents and agrees that Declarant is and shall be under no obligation to provide any access or patrol services or personnel within the Community, and shall hold Declarant harmless for any occurrences in such regard.

6.1.2 The Association shall maintain the Common Properties and pay the real property ad valorem taxes and governmental liens assessed against the Common Properties and billed to the Association. Any Common Properties which are to be maintained by the Association as provided herein shall be maintained in good condition and repair. Should real property ad valorem taxes or governmental liens as to any Common Properties be assessed against the billed Lots, the Board of Directors shall have the right to determine, in its sole discretion, if the Association should pay all or any portion of said bill(s) for taxes or liens, and such amount as they determine should be paid by the Association shall be levied as a Special Lot Assessment pursuant to Article VIII of this Declaration.

6.1.3 The Association shall maintain any and all landscaping islands and all landscaping and/or signage located, placed, installed or erected thereon contained within all portions of the Common Properties.

6.1.4 In the event the Association in the future acquires any Common Properties, the Association shall obtain, maintain and pay the premiums for the hazard insurance, flood insurance, liability insurance and fidelity bond coverage as set forth below and as consistent with state and local insurance laws, and such other types of insurance as the Board may deem advisable:

6.1.4.1 Hazard insurance covering all Common Properties, except for land foundations and excavations, and all common personal property and supplies. The policy must protect against loss or damage by fire and all other hazards normally covered by the standard extended coverage endorsement and all other perils customarily covered for similar

types of communities, including those covered by the standard "all risk" endorsement. The policy shall cover 100% of the current replacement cost of all covered facilities and shall include the following endorsements: agreed amount and inflation guard (if available); and construction code (if the local construction code requires changes to undamaged portions of buildings even when only part of the Property is destroyed by an insured hazard).

6.1.4.2 Flood insurance covering the Common Property buildings and any other common personal property if any part of the Community is in a special flood hazard area as defined by the Federal Emergency Management Agency. The amount of flood insurance shall be for not less than the lesser of (i) 100% of the current replacement cost of all buildings and insurable property within the flood hazard area, or (ii) the maximum coverage available for the Property under the National Flood Insurance Program.

6.1.4.3 Comprehensive general liability insurance covering all Common Properties and any other areas under the Association's supervision, including public ways and commercial spaces owned by the Association. The policy must provide coverage of at least \$1,000,000.00 for bodily injury and property damage for any single occurrence. The policy must cover bodily injury and property damage resulting from the operation, maintenance or use of the Common Properties and other areas under the Association's control and any legal liability resulting from law suits related to employment contracts to which the Association is a party. The policy must provide for at least ten (10) days' written notice by the insurer to the Association prior to cancellation or substantial modification.

6.1.4.4 Fidelity bond coverage for any person (including a management agent) who either handles or is responsible for funds held or administered by the Association, whether or not such persons are compensated for such services. The bond shall name the Association as an obligee and shall cover the greater of (i) the maximum funds that will be in the custody of the Association or its management agent while the bond is in force, and (ii) the sum of three (3) months' General Assessments on all Lots (including reserves, if any). The bond shall provide for ten (10) days' written notice to the Association and all servicers of FNMA-owned mortgages in the Property prior to cancellation of or substantial modification to the bond.

6.1.5 Except as otherwise specifically provided herein, the Association shall care for and maintain any entryway walls and signage intended for and/or identifying the Property and shall maintain any landscaping located within the Common Property, road right-of-way or any landscaping easement which is owned by or runs in favor of the Association, which maintenance activities may, but not necessarily will, include without limitation any of the following: replacement and/or replanting of existing landscaping, excavation, construction of berms, end installation, maintenance and repair of irrigation facilities.

6.1.6 The Association shall mow, blow, trim and edge the grass areas on each Lot (on a monthly basis other than from May to November when such work shall be performed on a weekly basis), the cost of which shall be included as part of the General Lot Assessments. Additionally, the Association will (i) fertilize the grass and treat for weeds quarterly, (ii) weed plant beds and trim plant materials on a bi-weekly basis other than during the winter months when such work shall be performed on a monthly basis, the cost of which shall be part of the General Lot Assessments, and (iii) replace grass, trees, plant materials, mulch and annuals, as

needed. There are hereby reserved to the Association easements over the Community and its Lots as necessary to enable the Association to fulfill such responsibilities. In addition to the foregoing, the Association's obligations to maintain and replace the landscaping on any Lot shall only extend to the landscaping initially installed by the Declarant (as subsequently replaced by the Association). Notwithstanding anything herein to the contrary, a Lot Owner shall be responsible for any damage to any grass, trees, plant materials, mulch and annuals caused by such Lot Owner or the Lot Owner's tenants or guests. No amendment to this paragraph shall be effective without the express prior written consent of Declarant.

6.1.7 If any pond or other water body is part of the Common Property, the Association shall be responsible for the maintenance of such pond or other water body. The Association also shall be responsible for the maintenance of the Surface Water Drainage and Management System for any portion of the Property in accordance with the WMD Permit, as more particularly described in Article XI hereof. The Association shall levy Lot Assessments for the costs and expenses associated therewith against the Lots. The Association shall have the power to contract with any other Association or entity to share the expense of maintaining any pond and associated equipment which is not located wholly on the Property but which is contiguous to any portion of the Property, and such contractual obligations shall be a valid expense of the Association.

6.1.8 With respect to the improvements upon the Lots, the Association shall be responsible for painting, repairing and replacing, as and when it deems same reasonably necessary, of the exterior building surfaces of each Home, including but not limited to the exterior walls; all portions of the building (exclusive of interior walls surfaces and coverings) contributing to the support of the building, which portions shall include, but not be limited to, the outside walls of the building, chasing and load bearing columns; all of such portions of the Homes contributing to the support of the building; and other facilities for the furnishing of utility services that are contained in the walls of the Home contributing to the support of the building (exclusive of interior walls surfaces and coverings); fencing originally installed by Declarant and any approved replacements thereof; and the grounds and landscaping upon the portions of each Home which are visible from the Common Property, excluding those portions of the grounds and landscaping within the Lot's fenced in areas (if permitted); provided that the painting, repair or replacement (as the case may be) is not necessitated by fire or other casualty. To the extent such painting, repair or replacement is necessitated by the negligence or misconduct of the Lot Owner, tenants, guests or invitees, or of other Lot Owners or their tenants, guests, or invitees, the cost and expense thereof shall be paid by such Lot Owners. Except as otherwise provided herein, exterior painting, routine maintenance and repair expenses incurred by the Association shall be Common Expenses.

6.1.9 The Association is responsible for the maintenance, repair and/or resurfacing of all paved surfaces within the Property, including, but not limited to, roadways, pathways, bicycle paths, and sidewalks forming a part of the Common Properties, if any, or as contained on any Lot, it being Declarant's intention to ensure aesthetic consistency and harmony within the Community. Although pavement appears to be a durable material, it requires maintenance. The Association shall have the right, but not the obligation, to arrange for an annual inspection of all paved surfaces forming a part of the Common Properties or located on a Lot by a licensed paving contractor and/or engineer. The Association shall determine annually the parameters of the inspection to be performed, if any. By way of example, and not of

limitation, the inspector may be required to inspect the roads and sidewalks forming part of the Common Properties annually for deterioration and to advise the Association of the overall pavement conditions including any upcoming maintenance needs. Any patching, grading, or other maintenance work should be performed by a company licensed to perform the work. From and after transfer of control of the Association from the Declarant as provided herein, the Association should monitor the roads and sidewalks forming part of the Common Properties monthly to ensure that vegetation does not grow into the asphalt and that there are no eroded or damaged areas that need immediate maintenance.

6.1.10 Unless otherwise provided herein, the Association shall care for and maintain any retention walls, boundary fences and sign monuments, if any, constructed within the Property.

The foregoing constitutes the basic and general expenses of the Association, and said expenses are to be paid by Members of the Association as hereinafter provided, except as otherwise provided herein. It shall be the duty and responsibility of the Association, through its Board of Directors, to fix and determine from time to time the sum or sums necessary and adequate to provide for the expenses of the Association. The procedure for the determination of such assessments shall be as hereinafter set forth in this Declaration or the By-Laws or the Articles of Incorporation. The Board of Directors shall have the power and authority to levy a Special Lot Assessment against the Lot Owners, should one become necessary, as determined by it in its sole discretion, and said Special Lot Assessment shall be determined, assessed, levied and payable in the manner determined by the Board of Directors as hereinafter provided in this Declaration or the Articles of Incorporation or the By-Laws.

6.2 Management Contracts and Leases of Common Property. The Association shall expressly have the power to contract for the management of the Association and/or the Common Property, if any, and to lease the recreation areas, further having the power to delegate to such contractor or lessee any or all of the powers and duties of the Association respecting the contract granted or property demised. Any contract for the management of the Association and/or the Common Property, if any, shall be terminable for cause upon thirty (30) days notice, be for a term not to exceed three (3) years, and be renewable only upon mutual consent of the parties thereto. The Association shall further have the power to employ administrative and other personnel to perform the services required for proper administration of the Association.

The undertakings and contracts authorized by the first Board of Directors shall be binding upon the Association in the same manner as though such undertakings and contracts had been authorized by the first Board of Directors duly elected by the membership of the Association.

6.3 Easements.

6.3.1 Easements for installation and maintenance of utilities (including, but not limited to, those required for cable television service) and drainage facilities are reserved as shown on the Plat or as otherwise granted by Declarant. Within these easements, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction of flow of drainage channel in the easements, or which may obstruct or retard the flow of water through

drainage channel in the easements, or which are or might be prohibited by the public authority to whom said easement is given.

6.3.2 Easements over, under, across and through each Lot, and the Common Properties are hereby expressly granted to the Association for the purpose of making any repairs or performing any maintenance provided for or required by this Declaration, regardless of whether such repairs or maintenance directly benefit the Lot upon which they are performed.

6.3.3 The easement area of each Lot and all improvements in it shall be maintained by the Lot Owner, except for those improvements for which a public authority or utility company is responsible.

Article VII: Maintenance by Lot Owners; Failure to Maintain

7.1 Maintenance by Lot Owners. Except as otherwise provided herein, each Lot Owner shall be responsible for the maintenance, repair and replacement of all improvements on such Lot Owner's Lot and such other areas as are provided herein. Any area or matter not specifically required to be maintained, repaired or replaced by the Association shall be maintained, repaired and replaced by the Lot Owner. Without limitation of the foregoing, each Lot Owner shall be responsible for keeping the interior and exterior of his Home in a clean, safe and orderly condition and in good repair to the extent the Association is not responsible for doing so hereunder. Each Lot Owner shall be responsible for the maintenance, replacement or repair of all interior and exterior doors, windows, interior walls, conduits within the walls serving the Home, courtyard terraces, screens, and all other portions of their Home not maintained by the Association in accordance with Article VI. Such responsibilities shall also include the maintenance, repair or replacement of all appliances including the air conditioning and heating unit (and all components thereof) servicing each Home.

7.2 Failure to Maintain Lots. In the event a Lot Owner shall fail to maintain or repair the Lot and/or the Home in a manner required under this Declaration and as determined by the Board of Directors of the Association from time to time, within thirty (30) days' written notice of same, the Association, after approval by a majority vote of the total membership of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and/or the Home as required under this Declaration and as determined by the Association. The cost of same shall be charged to the Lot Owner as a Specific Lot Assessment, the nonpayment of which may lead to foreclosure of the lien for such Specific Lot Assessment in accordance with the provisions of Article VIII hereof.

Article VIII: Covenant for Assessments; Fines

8.1 Assessments Established. The assessments levied by the Association must be used exclusively to promote the common good and welfare of the residents, to operate and manage the Association and the Common Properties, if any, and to perform such duties as may be required by this Declaration and the Articles of Incorporation and By-Laws of the Association.

In addition to the assessments established by this Article, each Lot Owner shall pay all taxes, if any, that from time to time may be imposed upon all or any portion of the assessments established by this Article.

All of the foregoing, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, are a continuing charge on the land secured by a continuing lien upon the Lot against which each assessment is made, as more particularly described in Section 8.4 hereof. Each such assessment, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, also is the personal obligation of the person or persons who was or were the owner(s) of such Lot when such assessment fell due.

8.2 Lot Assessments.

8.2.1 In General. Each Lot Owner, by acceptance of a deed to such Lot, whether or not it is so expressed in such deed, is deemed to covenant to pay to the Association the various assessments contained in this Section 8.2.

8.2.2 General Lot Assessments. The Association may levy an annual, semi-annual, quarterly or monthly general lot assessment ("General Lot Assessment") to provide and be used for the operation, management and all other general activities and Common Expenses of the Association as pertaining solely to the Lots.

8.2.3 Initial General Lot Assessment. The initial General Lot Assessment shall be no more than \$3,000.00 per year (payable in equal quarterly installments of no more than \$750.00 each) and will remain in effect until a different General Lot Assessment may be determined as provided in Sections 8.2.4 and 8.2.5 hereof.

8.2.4 Determination of General Lot Assessment. Except with regard to the initial General Lot Assessment, the amount of the General Lot Assessment shall be fixed by the Board of Directors in advance of each General Lot Assessment period, and shall be based upon an adopted budget. The General Lot Assessment period shall coincide with the Association's fiscal year. Except for the initial General Lot Assessment, written notice of the amount of the General Lot Assessment should be given to every Lot Owner, but the failure to give or receive such notice, or both, shall not invalidate any otherwise valid General Lot Assessment. The General Lot Assessment shall be paid in equal quarterly installments without interest until delinquent, and pre-payable in whole at any time or times during the applicable assessment period without penalty or other consideration; provided, however, at the discretion of the Board of Directors, the General Lot Assessment may be collected on a monthly, semi-annual or annual basis rather than collected on a quarterly basis.

8.2.5 Declarant Requirements for the Payment of Lot Assessments. Prior to Transfer of Control, Declarant shall be excused, in its sole discretion, from payment of its share of the Common Expenses and Lot Assessments related to the Lots owned by Declarant from time to time, provided that Declarant pays any operating expenses incurred by the Association that exceed the Lot Assessments receivable from other Lot Owners and other income of the Association, as further provided herein. Such deficit funding shall not preclude the levying of Special Lot Assessments and/or Specific Lot Assessments against the Lot Owners to defray the costs of Association expenses pertaining solely to the Lots and not contemplated under the Association's estimated operating budget for that fiscal year. In no manner shall Declarant be required to pay or fund any portion of a Lot Assessment being utilized for reserves for future repairs or replacements. Subsequent to Transfer of Control, Declarant shall be responsible for the

payment of Lot Assessments only upon Lots which it owns and upon which a Home has been constructed for which a certificate of occupancy has been issued.

In furtherance of the above, Declarant guarantees to each buyer of a Lot that from the recording of this Declaration until forty-eight (48) months from the date of recording of this Declaration or turnover of control of the Association (as provided in Section 5.4 hereof), whichever occurs earlier, the total monthly assessment imposed on the Owner of a Lot pursuant to the Declaration will not exceed the amounts set forth in Exhibit "E" attached hereto and incorporated herein for the respective Lot and period set forth on said Exhibit "E."

Declarant reserves the right, but not the obligation, to unilaterally extend this guaranty for one or more additional stated periods after the expiration of the initial guaranty period on the date that is forty-eight (48) months from the date of recording of this Declaration or turnover of control of the Association, whichever occurs earlier, although the monthly guarantee amount shall be the same as the last level set forth herein.

Notwithstanding the above, to the extent permitted by law, in the event of an Extraordinary Financial Event (as hereinafter defined) the costs necessary to effect restoration shall be assessed against all Lot Owners owning Lots on the date of such Extraordinary Financial Event, and their successors and assigns, including Declarant (but only with respect to Lots owned by Declarant upon which a Home has been fully constructed, as evidenced by a final certificate of occupancy). As used in this subsection, an "Extraordinary Financial Event" shall mean Common Expenses incurred prior to the expiration of the guarantee period (as same may be extended) resulting from a natural disaster or Act of God, which is not covered by insurance proceeds from insurance which may be maintained by the Association.

When all Lots within the Community are sold and conveyed to purchasers, neither Declarant nor its affiliates shall have further liability of any kind to the Association for the payment of Assessments, deficits or contributions. Declarant's rights under this entire Section may be assigned by it in whole or in part and on an exclusive or non-exclusive basis.

8.2.6 Special Lot Assessments. In addition to the General Lot Assessment, the Association may levy in any fiscal year a special assessment ("Special Lot Assessment") applicable to that year only for the purpose of defraying, in whole or in part, known expenses which exceeded, or when mature will exceed, the budget prepared and on which the General Lot Assessment was based, or as otherwise described in this Section 8.2. Notwithstanding the foregoing, no Special Lot Assessment against the Lot Owners shall exceed 1/12 of the total of the General Lot Assessments levied against the Lot Owners for that fiscal year without the prior approval of 75% of the voting interests in the Association that will be affected by such Special Lot Assessment, e.g., the Lot Owners.

8.2.7 Specific Lot Assessments. Any and all accrued liquidated indebtedness of any Lot Owner to the Association arising under any provision of this Declaration also may be assessed by the Association against such Lot Owner's Lot after such Lot Owner fails to pay it when due and such default continues for thirty (30) days after written notice; provided, however, that no Specific Lot Assessment shall be levied in connection with a fine levied by the Association pursuant to the Act.

8.2.8 Uniformity of Lot Assessments. The General Lot Assessment and any Special Lot Assessment must be uniform for each Lot Owner throughout the Community.

8.3 Commencement of Assessment. The Assessments as to each Lot owned by a Lot Owner other than Declarant shall be prorated as of the day of closing for the current installment period, and thereafter the first full payment shall be due and owing on the first day of the next full installment period.

8.4 Lien for Assessment. All sums assessed against any Lot (as applicable), together with interest and all costs and expenses of collection, including reasonable attorneys' fees and costs and any late fees as may be imposed by the Association, are secured by a lien on such Lot in favor of the Association. Such lien is subject and inferior to the lien for all sums validly secured by any First Mortgage encumbering such Lot. Except for liens for all sums validly secured by any such First Mortgage, all other lienors acquiring liens on any Lot after this Declaration is recorded are deemed to consent that such liens are inferior to the lien established by this Article, whether or not such consent is specifically set forth in the instrument creating such lien. The recordation of this Declaration constitutes constructive notice to all subsequent purchasers and/or creditors of the existence of the Association's lien and its priority. The Association from time to time may record a Notice of Lien for the purpose of further evidencing the lien established by this Article, but neither the recording of, nor failure to record, any such notice of lien will affect the existence or priority of the Association's lien. In the event that any Lot Owner desires to sell or otherwise transfer title of his or her Lot (by sale, gift or judicial decree), the transferor shall be jointly and severally liable with the transferee for all of the transferor's obligations to the Association which have become due and payable on or before the date of the transfer with respect to the transferred Lot, including payment of all applicable Assessments, notwithstanding the transfer of title to the Lot.

8.5 Certificate. Upon demand, and for a reasonable charge, the Association will furnish to any interested person a certificate signed by an officer of the Association setting forth whether any applicable Assessments have been paid and, if not, the unpaid balance(s).

8.6 Remedies of the Association. Any Assessment not paid within thirty (30) days after its due date bears interest at the rate of 15% per annum or such other rate as may be from time to time determined by the Board, provided, however, that such rate shall not exceed the maximum rate allowed by law not constituting usury. The Association may bring an action at law against the Lot Owner personally obligated to pay such Assessment, or foreclose its lien against such Lot Owner's Lot. No Lot Owner may waive or otherwise escape liability for Assessments. A suit to recover a money judgment for unpaid Assessments may be maintained without foreclosing, waiving, or otherwise impairing the security of the Association's lien or its priority. The Association shall be entitled impose a late fee for costs associated with and/or incurred in connection with non-payment of any Assessment.

8.7 Foreclosure. The lien for sums assessed pursuant to this Article may be enforced by judicial foreclosure in the same manner in which mortgages on real property from time to time may be foreclosed in the State of Florida. In any such foreclosure, the Lot Owner is required to pay all costs and expenses of foreclosure, including reasonable attorneys' fees. All such costs and expenses are secured by the lien foreclosed. The Lot Owner also is required to pay to the Association any Assessments against the Lot that become due during the period of

foreclosure, which Assessments also are secured by the lien foreclosed and accounted on a pro rata basis and paid as of the date the Lot Owner's title is divested by foreclosure. The Association has the right and power to bid at the foreclosure or other legal sale to acquire the Lot foreclosed, or to acquire such Lot by deed or other proceeding in lieu of foreclosure, and thereafter to hold, convey, lease, rent, encumber, use, and otherwise deal with such Lot as its Lot Owner for purposes of resale only. If any foreclosure sale results in a deficiency, the court having jurisdiction over the foreclosure may enter a personal judgment against the Lot Owner for such deficiency.

8.8 Subordination of Lien. Except where a notice of lien has been filed in the public records prior to the recording of a valid First Mortgage, the lien for the assessments provided in this Article is subordinate to the lien of any such First Mortgage. Sale or transfer of any Lot does not affect the assessment lien. The Association may give any encumbrancer of record thirty (30) days' notice within which to cure such delinquency before instituting foreclosure proceedings against the Lot. Any encumbrancer holding a lien on a Lot may pay, but is not required to pay, any amounts secured by the lien established by this Article; upon such payment, such encumbrancer will be subrogated to all rights of the Association with respect to such lien, including priority.

Notwithstanding anything to the contrary contained in this section, the liability of a First Mortgagee, or its successor or assignee as a subsequent holder of the first mortgage who acquires title to a Lot by foreclosure or by deed in lieu of foreclosure for the unpaid assessments that became due before the First Mortgagee's acquisition of title, shall be the lesser of: (1) the Lot's unpaid common expenses and regular periodic or special assessments that accrued or came due during the 12 months immediately preceding the acquisition of title and for which payment in full has not been received by the Association; or (2) one percent (1%) of the original mortgage debt.

The limitations on First Mortgagee liability provided by this Section 8.8 paragraph apply only if the First Mortgagee filed suit against the Owner and initially joined the Association as a defendant in the mortgagee foreclosure action. Joinder of the Association is not required if, on the date the complaint is filed, the Association was dissolved or did not maintain an office or agent for service of process at a location that was known to or reasonably discoverable by the First Mortgagee.

8.9 Application of Payments Received from a Lot Owner. Any payments received by the Association from a delinquent Lot Owner shall be applied first to any interest accrued as provided in this Article VIII, then to any administrative late fee, then to any fines levied by the Association pursuant to the applicable provisions of this Declaration, the By-Laws, and the Act, then to costs and reasonable attorneys' fees incurred in collection as provided in this Article VIII, and then finally to any delinquent and/or accelerated Association assessments. The foregoing application of funds received shall be applicable despite any restrictive endorsement, designation or instruction placed on or accompanying a payment.

8.10 Homesteads. By acceptance of a deed to any Lot, each Lot Owner is deemed to acknowledge conclusively and consent that all Assessments established pursuant to this Article are for the improvement and maintenance of any homestead thereon and that the Association's lien has priority over any such homestead.

8.11 Reserves. At the commencement of the Community, the Association shall not collect reserves for future or deferred maintenance, and there is and shall be no requirement for the collection of any reserves for such maintenance, other than to the limited extent provided in the initial budget of the Association (if any). From time to time, the Association, through the Board, may elect to collect reserves, in which event such amounts shall be a Common Expense. If the Board determines that reserves are to be collected, (a) the Board shall determine the appropriate level of the reserves based on a periodic review of the useful life of the improvements to the Common Properties and equipment owned by the Association, as well as periodic projections of the cost of anticipated major repairs or improvements to the Common Properties, the purchase of equipment to be used by the Association in connection with its duties hereunder, and/or performance of required maintenance of Homes pursuant to this Declaration, and (b) the Association's budget shall disclose the exact monies collected and the reserve categories involved. Notwithstanding the foregoing, unless otherwise provided for by the Declarant or via Lot Owner vote, as provided pursuant to the Act, any reserves which may now or hereafter be established shall not be required to conform to the requirements of Section 720.303(6), Fla. Stat., nor shall use of any such reserved funds be subject to the restrictions on use as set forth in that statute, nor shall reserves have to be calculated in accordance with that statute.

THE BUDGET OF THE ASSOCIATION MAY PROVIDE FOR LIMITED VOLUNTARY DEFERRED EXPENDITURE ACCOUNTS, INCLUDING CAPITAL EXPENDITURES AND DEFERRED MAINTENANCE, SUBJECT TO LIMITS ON FUNDING CONTAINED IN THE ASSOCIATION'S GOVERNING DOCUMENTS. UNLESS THE OWNERS ELECT TO PROVIDE FOR RESERVE ACCOUNTS PURSUANT TO SECTION 720.303(6), FLORIDA STATUTES, THESE FUNDS SHALL NOT BE SUBJECT TO THE RESTRICTIONS ON USE OF SUCH FUNDS SET FORTH IN THAT STATUTE, NOR SHALL RESERVES BE REQUIRED TO BE CALCULATED IN ACCORDANCE WITH THAT STATUTE.

8.12 Working Capital Contributions.

8.12.1 At the time the initial sale of each Lot is closed, the purchaser of the Lot shall pay to the Association an "Initial Working Capital Contribution" in the amount of \$350.00. This sum shall be used and applied for start-up costs and as a working capital contribution in connection with all initial and ongoing operating expenses for the Association. This payment shall not be refundable or applied as a credit against the Lot Owner's payment of Assessments.

8.12.2 Subsequent to the initial sale of a Lot, upon the conveyance of a Lot from a Lot Owner to another, the purchaser of the Lot may be required to pay to the Association a "Resale Capital Contribution." This sum shall be used and applied by the Association exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to the Property, and shall not be refundable or applied as a credit against the Lot Owner's payment of Assessments.

8.13 Fines. The Association shall have the power, but not the duty, to impose reasonable fines against a Lot Owner tenant, guest or invitee for the failure of the Lot Owner, or its occupant, licensee, or invitee to comply with any provision of this Declaration, the Bylaws, or the Rules and Regulations. A fine may be levied for each day of a continuing violation, with a

single notice and opportunity for hearing as provided below, and there shall be no aggregate ceiling on the total fine which may be imposed for a recurring violation for each and any violation of the provisions of this Declaration, the Articles, the By-Laws and/or the Rules and Regulations; provided, however, that any such fine shall only be levied in accordance with the applicable provisions of the Act. The maximum fine to be levied against a Lot Owner shall not exceed the lesser of \$100.00 per violation per day or the maximum amount permitted under the Act. A fine may also be levied against a Lot Owner for violations committed by any tenant, guest, licensee or invitee of such Lot Owner. Additional provisions pertaining to fines may be contained in the By-Laws for purposes of amplification.

Article IX: Miscellaneous Provisions Respecting Mortgages

The following provisions are intended for the benefit of a First Mortgagee and to the extent, if at all, that any other provisions of this Declaration conflict with the following provisions, the following provisions shall control:

9.1 Notices of Overdue Assessments; Foreclosure. Upon request in writing to the Association identifying the name and address of the First Mortgagee or the insurer or guarantor of a recorded First Mortgage on a Lot ("Insurer or Guarantor") and the Lot number, the Association shall furnish each First Mortgagee, Insurer or Guarantor a written notice of such Lot Owner's obligations under this Declaration which is not cured within sixty (60) days. Except in the case of a notice of lien having been filed in the public records prior to the recording of a First Mortgage (and in such event, subject to Section 8.8 herein), any First Mortgagee of a Lot who comes into possession of the said Lot pursuant to the remedies provided in the Mortgage, foreclosure or a deed in lieu of foreclosure shall, to the extent permitted by law, take such property free of any claims for unpaid Assessments or charges in favor of the Association against the mortgaged Lot which become due prior to (i) the date of the transfer of title, or (ii) the date on which the holder comes into possession of the Home, whichever occurs first.

9.2 Rights of First Mortgagees, Insurers and Guarantors. Upon request in writing, each First Mortgagee, Insurer or Guarantor shall have the right:

9.2.1 to examine current copies of this Declaration, the By-Laws, all Rules and Regulations, and the books and records of the Association during normal business hours;

9.2.2 to receive, without charge and within a reasonable time after such request, any annual audited or unaudited financial statements which are prepared and distributed by the Association to the Lot Owners at the end of each of its respective fiscal years; provided, however, that in the event an audited financial statement is not available, any First Mortgagee shall be entitled to have such an audited statement prepared at its expense;

9.2.3 to receive written notices of all meetings of the Association and to designate a representative to attend all such meetings;

9.2.4 to receive written notice of any decision by the Lot Owners to make a material amendment to this Declaration, the By-Laws or the Articles of Incorporation;

9.2.5 to receive written notice of any lapse, cancellation or modification of an insurance policy or fidelity bond maintained by the Association; and

9.2.6 to receive written notice of any action which would require the consent of a specified percentage of First Mortgagees.

9.3 Distribution of Proceeds. No provision of this Declaration or the Articles of Incorporation or any similar instrument pertaining to the Property or the Lots therein shall be deemed to give a Lot Owner or any other party priority over the rights of the First Mortgagees pursuant to their mortgages in the case of distribution to Lot Owners of insurance proceeds or condemnation awards for losses to or a taking of the Lots, and/or the Common Property, or any portion thereof or interest therein. In such event, the First Mortgagees, Insurers or Guarantors of the Lots affected shall be entitled, upon specific written request, to timely written notice of any such loss.

9.4 Termination of the Community. Unless the First Mortgagees of the individual Lots representing at least 67% of the votes in the Association have given their prior written approval, neither the Association nor the Lot Owners shall be entitled to terminate the legal status of the Community for reasons other than substantial destruction or condemnation thereof.

9.5 Notice of Damage, Destruction or Condemnation. Upon specific written request to the Association, a First Mortgagee, Insurer or Guarantor of a Lot shall be furnished notice in writing by the Association of any damage to or destruction or taking of the Common Property if such damage or destruction or taking exceeds \$10,000.00. If damages shall occur to such Lot in excess of \$1,000.00, notice of such event shall also be given.

9.6 Condemnation; Priority of Awards. If any Lot, Home thereon or portion thereof or the Common Property or any portion thereof is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, then the First Mortgagee, Insurer or Guarantor of said Lot will be entitled to timely written notice, upon specific written request, of any such proceeding or proposed acquisition, and no provisions of any document will entitle the Lot Owner of such Lot or other party to priority over such First Mortgagee with respect to the distribution to such Lot of the proceeds of any award or settlement.

9.7 Rights of Mortgagees. Any First Mortgagee has the following rights:

9.7.1 Inspection. During normal business hours, and upon reasonable notice and in a reasonable manner, to inspect the books, records, and papers of the Association.

9.7.2 Copies. Upon payment of any reasonable, uniform charge that the Association may impose to defray its costs, to receive copies of the Association's books, records, or papers, certified upon request.

9.7.3 Financial Statements. Upon written request to the secretary of the Association, to receive copies of the annual financial statements of the Association; provided, however, the Association may make a reasonable charge to defray its costs incurred in providing such copies.

9.7.4 Meetings. To designate a representative to attend all meetings of the membership of the Association, who is entitled to a reasonable opportunity to be heard in

connection with any business brought before such meeting but in no event entitled to vote thereon.

By written notice to the secretary of the Association, and upon payment to the Association of any reasonable annual fee that the Association from time to time may establish for the purpose of defraying its costs, any First Mortgagee also is entitled to receive any notice that it required to be given to the Class A Members of this Association under any provision of this Declaration or the Articles of Incorporation or By-Laws.

Article X: Damage, Destruction, Condemnation and Restoration of Improvements

10.1 Damage, Destruction and Restoration. In the event the improvements forming a part of the Common Property, or any portion thereof, shall suffer damage or destruction from any cause and the proceeds of any policy or policies insuring against such loss or damage, and payable by reason thereof, plus reserves (if any), shall be sufficient to pay the cost of repair or restoration or reconstruction, then such repair, restoration or reconstruction shall be undertaken and the insurance proceeds and the reserves (if any), shall be applied by the Board or the payee of such insurance proceeds in payment therefore; provided, however, that in the event, within 180 days after said damage or destruction, the Lot Owners shall elect to withdraw the Property from the provisions of this Declaration, or if the insurance proceeds and the reserves (if any) are insufficient to reconstruct the damaged or destroyed improvements to the Common Property and the Lot Owners and all other parties in interest do not voluntarily make provision for reconstruction within 180 days from the date of damage or destruction, then such repair, restoration, or reconstruction shall not be undertaken. In the event such repair, restoration, or reconstruction is not undertaken, the net proceeds of insurance policies shall be divided by the Board or the payee of such insurance proceeds among all Lot Owners, after first paying from the share of each Lot Owner the amount of any unpaid liens on his Lot, in the order of the priority of such liens.

10.2 Withdrawal of Property From Declaration. In the case of damage or other destruction, upon the unanimous affirmative vote of the Lot Owners voting at a meeting called for that purpose, any portion of the Property affected by such damage or destruction may be withdrawn from this Declaration. The payment of just compensation, or the allocation of any insurance or other proceeds to any withdrawing or remaining Lot Owners, shall be on an equitable basis. Any insurance or other proceeds available in connection with the withdrawal of any portion of the Common Property shall be allocated to the Lot Owners on the basis of an equal share for each Lot. Upon the withdrawal of any Lot or portion thereof, the responsibility for the payment of Assessments on such Lot or portion thereof by the Lot Owner shall cease.

10.3 Eminent Domain. In the event any portion of the Property is taken by condemnation or eminent domain proceedings, provision for withdrawal of the portion so taken from the provisions of this Declaration may be made by the Board. The allocation of any condemnation award or other proceeds to any withdrawing or remaining Lot Owner shall be on an equitable basis. Any condemnation award or other proceeds available in connection with the withdrawal of any portion of the Common Property shall be allocated to the Lot Owners on the basis of an equal share for each Lot. Upon the withdrawal of any Lot or portion thereof, the responsibility for the payment of Lot Assessments on such Lot or portion thereof by the Lot

Owner shall cease. The Association shall represent the Lot Owners in any condemnation proceedings or in negotiations, settlements and agreements with the condemning authority for the acquisition of the Common Property or any part thereof. In the event of the total taking of the Property by eminent domain, the condemnation award available in that connection shall be divided by the Association, after first paying from the share of each Lot Owner the amount of any unpaid liens on his Lot, in the order of the priority of such liens.

**Article XI: Surface Water Drainage and Management System;
Wetland Conservation and Wetland Mitigation Areas**

11.1 Owner Acknowledgment. All Owners acknowledge that the Property is located within the boundaries of the WMD. Due to groundwater elevations underneath the Property, priorities established by governmental authorities and other causes outside of the reasonable control of Declarant, and the Association, water levels may fluctuate at certain times during the year and such fluctuations may be material. Neither Declarant nor the Association shall have any liability for aesthetic conditions, damage to plantings or direct or consequential damages of any nature caused by the fluctuation of water levels. Each Lot Owner, by acceptance of a deed or other conveyance thereto, whether or not it shall be so expressed in such deed or conveyance is deemed to acknowledge and accept that any fluctuation in the availability of water to irrigate Lots is outside of the Declarant's control and will hold the Declarant harmless with respect thereto.

11.2 System Defined. The "Surface Water Drainage and Management System" shall be the portions of the Property including improvements thereon which are designed and constructed or implemented to control discharges which are necessitated by rainfall events, incorporating methods to collect, convey, store, absorb, inhibit, treat, use or reuse water or prevent or reduce flooding, overdrainage, environmental degradation, and water pollution or otherwise effect the quantity and quality of discharges from such system as contemplated or provided in the applicable permits, development orders or other authorizations pertaining to the development of the Property. The Surface Water Drainage and Management System shall be governed by the WMD Permit.

11.3 Maintenance by the Association. The Surface Water Drainage and Management System shall be owned and maintained by the Association in compliance with all approvals, codes and regulations of governmental authorities and the WMD. Maintenance of the Surface Water Drainage and Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or stormwater management capabilities as permitted by the WMD and shall specifically include, but not be limited to, maintenance of aquatic vegetation, lake beds, lake banks, lake liners, littoral planting and lake maintenance easements which, pursuant to the terms of this Declaration, plat or agreement, are not the responsibility of others, as well as water quality and wetland monitoring or testing. Any repair or reconstruction of the surface water or stormwater management system shall be as permitted by the WMD. Notwithstanding anything herein to the contrary, if the Association shall dissolve or cease to exist, for whatever reason, all of the Lot Owners shall be jointly and severally responsible for the operation and maintenance of the Surface Water Drainage and Management System in accordance with the environmental resource permit issued for the Surface Water Drainage and Management System, unless and until an alternate entity assumes the responsibilities for the operation and maintenance of the Surface

Water Drainage and Management System. In the event the Association, or any successor organization, shall fail to adequately maintain the Stormwater Management System in accordance with County standards, the County shall have the right, but not the obligation, to enter the Subdivision for the purpose of maintaining the Stormwater Management System. All expenses incurred by the County in maintaining the Stormwater Management System shall be assessed prorate against the Lots and shall be payable by the Lot Owners within 60 days after receipt of a statement therefor. If any Owner fails to pay such assessment within such 60-day period, the assessment shall become a lien on such Lot Owner's Lot which may be foreclosed by the County. The rights of the County contained in this restriction shall be in addition to any other rights the County may have in regulating the operation and development of the Subdivision.

11.4 Prohibited Actions. Neither the Association nor any Lot Owner shall take any action which modifies the Surface Water Drainage and Management System in a manner which changes the flow of drainage of surface water, except to the extent the same is approved by the requisite governmental or quasi-governmental authorities, Declarant so long as Declarant owns any portion of the Property, and the party who has the obligation to maintain the Surface Water Drainage and Management System. In addition to the foregoing, neither the Association nor any Lot Owner may construct or maintain any Home or other structure or improvement, or undertake or perform any activity in the wetlands, wetland mitigation areas, wetland conservation areas, buffer areas, upland conservation areas and drainage easements described in the WMD Permit and on the Plat, unless prior approval is received from the local Service Office of the WMD.

11.5 Easements. The Property shall be burdened with easements for drainage and flow of surface water in a manner consistent with the approved and constructed Surface Water Drainage and Management System. The Association, and the WMD shall have a non-exclusive easement for use of Surface Water Drainage and Management System, and an easement for ingress, egress and access to enter upon any portion of the Property in order to construct, maintain or repair, as necessary, any portion of the Surface Water Drainage and Management System provided such easement rights shall be exercised in a manner which does not unreasonably disturb use or condition of the Property.

11.6 Conveyance by Declarant. Declarant may convey its ownership interest in the lakes within the Property to the Association, together with easements for maintenance and other drainage improvements, such as by way of example and without limitation, weirs and underground pipes.

11.7 Amendments Impacting the Surface Water Drainage and Management System. Any amendment of this Declaration which would affect the Surface Water Drainage and Management System or the responsibility of the Association to maintain or cause to be maintained the Surface Water Drainage and Management System must be approved by the WMD. If the WMD determines that an amendment to the WMD Permit is required in order for an amendment to this Declaration to be effective, the WMD Permit shall be amended first.

11.8 Enforcement. Declarant, the WMD, the Association, and each Lot Owner shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, monitoring, repair and replacement of the Surface Water Drainage and Management System and maintenance of all easements and

rights-of-way. Further, the WMD has the right to take enforcement action, including actions at law or in equity, which may include claims for penalties, against the Association in order to compel the Association to correct any outstanding problems with the Surface Water Drainage and Management System or in mitigation or conservation areas under the responsibility or control of the Association.

11.9 Wetland Conservation and Wetland Mitigation Areas. Certain portions of the Property may contain or be adjacent to wetland preservation, conservation or mitigation areas and upland buffers that are or may be designated as conservation areas on the plats for the Property or pursuant to separate written instruments ("Conservation Areas"), and any such Conservation Areas will be protected by and be subject to conservation easements in favor of the County, the WMD and/or the U.S. Army Corps of Engineers, as and to the extent applicable ("Conservation Easements"). If so applicable, the terms of the Conservation Easements shall provide that the Conservation Areas shall be maintained and managed in perpetuity by the Association, its successors and assigns, and the Association shall enforce the terms and conditions of the Conservation Easements. In accordance with the terms of the Conservation Easements, the Association shall be responsible for the installation and perpetual maintenance of permanent physical signs/markers designating the Conservation Areas as required by the WMD.

The Property may consist of wetland conservation and/or mitigations areas which will contain special wetlands vegetation, and such areas shall be maintained and managed in perpetuity by the Association and its successors and assigns. No wetland or upland buffer areas may be altered from their natural or permitted condition, with the exception of exotic or nuisance vegetation removal, or restoration in accordance with the restoration plan included in the Conservation Easements. Exotic vegetation may include, but shall not be limited to, Melaleuca, Brazilian pepper, Australian pine and Japanese climbing fern, or any other species currently listed by the Florida Exotic Pest Control Council. Nuisance vegetation may include, but shall not be limited to, cattails, primrose willow and grape vine.

THE CONSERVATION AREAS ARE HEREBY DEDICATED AS COMMON PROPERTY, SHALL BE THE PERPETUAL RESPONSIBILITY OF THE ASSOCIATION, AND MAY IN NO WAY BE ALTERED FROM THEIR NATURAL OR PERMITTED STATE. ACTIVITIES PROHIBITED WITHIN THE CONSERVATION AREAS INCLUDE, BUT ARE NOT LIMITED TO, CONSTRUCTION OR PLACING OF BUILDINGS ON OR ABOVE THE GROUND; DUMPING OR PLACING SOIL OR OTHER SUBSTANCES SUCH AS TRASH; REMOVAL OR DESTRUCTION OF TREES, SHRUBS OR OTHER VEGETATION, WITH THE EXCEPTION OF EXOTIC/NUISANCE VEGETATION REMOVAL; EXCAVATION, DREDGING OR REMOVAL OF SOIL MATERIAL; DIKING; OR ANY OTHER ACTIVITIES DETRIMENTAL TO DRAINAGE, FLOOD CONTROL, WATER CONSERVATION, EROSION CONTROL, OR FISH AND WILDLIFE HABITAT CONSERVATION OR PRESERVATION.

If Declarant enters into any agreement for the maintenance of any conservation and/or wetlands areas relating to the Property, Declarant shall have the right to assign its duties and obligations with respect to such wetlands areas to the Association, and the Association will be obligated to accept such assignment. The Association shall indemnify, defend and hold Declarant harmless from and against any liability that Declarant may have as a result of the Association's failure to properly maintain any wetlands areas, as herein provided.

If and to the extent there are any conservation areas within the Property, the following activities shall be prohibited upon the lands of such conservation areas: (a) construction or placing of buildings, signs, billboards or other advertising, utilities or other structures on or above the ground; (b) dumping or placing of soil or other substance or material as landfill, or dumping or placing of trash, waste or unsightly or offensive materials; (c) removal or destruction of trees, shrubs or other vegetation, except for the removal of exotic vegetation in accordance with a WMD-approved maintenance plan; (d) excavation, dredging or removal of loam, peat, gravel, soil, rock or other material substance in such manner as to affect the surface; (e) surface use, except for purposes that permit the land or water area to remain in its natural condition; (f) activities detrimental to drainage, flood control, water conservation, erosion control, soil conservation, or fish and wildlife habitat preservation, including, but not limited to, ditching, diking and fencing; (g) construction or placing of utilities on, below or above the ground without appropriate local, state and federal permits or other authorization; (h) application of herbicides, pesticides or fertilizers; (i) acts or uses detrimental to such aforementioned retention of land or water areas; and (j) acts or uses which are detrimental to the preservation of any features or aspects of the Property having historical or archaeological significance.

11.10 Maintenance of WMD Permit. Copies of the WMD Permit and any future WMD permit actions shall be maintained by the Association’s registered agent for their benefit.

11.11 Construction Compliance with WMD Permit. At the time of construction of a building, residence, or structure, each Owner shall comply with the construction plans for the Surface Water Drainage and Management System approved and on file with the WMD.

Article XII: Intentionally Omitted

Article XIII: Termination of the Community

At a meeting called for such purpose and attended by all Lot Owners, the Lot Owners, by affirmative vote of 90% of the Lot Owners, may elect to terminate the legal status of the Community and sell the Common Property as a whole. Within ten (10) days after the date of the meeting at which such sale was approved, the Board shall give written notice of such action to all First Mortgagees, Insurers and Guarantors entitled to notice under Article IX of this Declaration, and the termination shall only be effective upon the affirmative vote required under Section 9.4 hereof. Such action shall be binding upon all Lot Owners, and it shall thereupon become the duty of every Lot Owner to execute and deliver such instruments and to perform all acts in manner and form as may be necessary to effect such termination and sale. The Association shall represent the Lot Owners in any negotiations, settlements and agreements in connection with termination of the Community and sale of the Common Property. Any proceeds from the sale of the Common Property shall be first used to pay all expenses and outstanding obligations of the Association in connection with such portion of the Common Property, and thereafter shall be divided among all Lot Owners on the basis of an equal share for each Lot.

Article XIV: Operation

The provisions of this Declaration are self-executing and will run with the land and be binding upon all persons having any right, title, or interest therein, or any part, their respective heirs, successors, and assigns.

Article XV: Disclosures

15.1 Mildew. Given the climate and humid conditions in Florida, molds, mildew, toxins and fungi may exist and/or develop within the Home and/or the Property. Each Lot Owner is hereby advised that certain molds, mildew, toxins and/or fungi may be, or if allowed to remain for a sufficient period may become, toxic and potentially pose a health risk. By acquiring title to a Lot, each Lot Owner shall be deemed to have assumed the risks associated with molds, mildew, toxins and/or fungi and to have released the Declarant from any and all liability resulting from same.

15.2 Mitigation of Dampness and Humidity. No Lot Owner, excluding Declarant, shall install, within his or her Lot, or upon the Common Properties, non-breathable wall-coverings or low-permeance paints. Additionally, any and all built-in casework, furniture, and or shelving in a Lot must be installed over floor coverings to allow air space and air movement and shall not be installed with backboards flush against any gypsum board wall. Additionally, all Lot Owners, whether or not occupying the Lot, shall periodically run the air conditioning system to maintain the Lot temperature, whether or not occupied, at 78°F, to minimize humidity in the Lot. While the foregoing are intended to minimize the potential development of molds, fungi, mildew and other mycotoxins, each Lot Owner understands and agrees that there is no method for completely eliminating the development of molds or mycotoxins. The Declarant does not make any representations or warranties regarding the existence or development of molds or mycotoxins and each Lot Owner shall be deemed to waive and expressly release any such warranty and claim for loss or damages resulting from the existence and/or development of same. In furtherance of the rights of the Association as set forth in this Declaration, in the event that the Association reasonably believes that the provisions of this Section are not being complied with, then, the Association shall have the right (but not the obligation) to enter the Lot (without requiring the consent of the Lot Owner or any other party) to turn on the air conditioning in an effort to cause the temperature of the Lot to be maintained as required hereby (with all utility consumption costs to be paid and assumed by the Lot Owner). To the extent that electric service is not then available to the Lot, the Association shall have the further right, but not the obligation (without requiring the consent of the Lot Owner or any other party) to connect electric service to the Lot (with the costs thereof to be borne by the Lot Owner, or if advanced by the Association, to be promptly reimbursed by the Lot Owner to the Association, with all such costs to be deemed charges hereunder).

15.3 Warranty Disclosure. To the maximum extent lawful, Declarant hereby disclaims any and all and each and every express or implied warranties, whether established by statutory, common, case law or otherwise, as to the design, construction, sound and/or odor transmission, existence and/or development of molds, mildew, toxins or fungi, furnishing and equipping of the Property, including, without limitation, any implied warranties of habitability, fitness for a particular purpose or merchantability, compliance with plans, all warranties imposed by statute and all other express and implied warranties of any kind or character. Declarant has not given and the Lot Owner has not relied on or bargained for any such warranties. Each Lot Owner, by accepting deed to a Lot, or other conveyance thereof, shall be deemed to represent and warrant to Declarant that in deciding to acquire the Lot, the Lot Owner relied solely on such Lot Owner's independent inspection of the Lot. The Lot Owner has neither received nor relied on any warranties and/or representations from Declarant of any kind, other than as expressly provided herein. All Lot Owners, by virtue of their acceptance of title to their respective Lots

(whether from the Declarant or another party) shall be deemed to have automatically waived all of the aforesaid disclaimed warranties and incidental and consequential damages. The foregoing shall also apply to any party claiming by, through or under a Lot Owner, including a tenant thereof. Buyer acknowledges and agrees that Declarant does not guarantee, warrant or otherwise assure, and expressly disclaims, any right to view and/or natural light.

15.4 Lot Measurements. Each Lot Owner, by acceptance of a deed or other conveyance of a Lot, understands and agrees that there are various methods for calculating the square footage of a Lot, and that depending on the method of calculation, the quoted square footage of the Lot may vary by more than a nominal amount. Additionally, as a result of in the field construction, other permitted changes to the Lot, and settling and shifting of improvements, actual square footage of a Lot may also be affected. By accepting title to a Lot, the applicable Lot Owner(s) shall be deemed to have conclusively agreed to accept the size and dimensions of the Lot, regardless of any variances in the square footage from that which may have been disclosed at any time prior to closing, whether included as part of Declarant's promotional materials or otherwise. Without limiting the generality of this Section, Declarant does not make any representation or warranty as to the actual size, dimensions or square footage of any Lot, and each Lot Owner shall be deemed to have fully waived and released any such warranty and claims for losses or damages resulting from any variances between any represented or otherwise disclosed square footage and the actual square footage of the Lot.

15.5 Building Area. Lots adjacent to water bodies within the Community may actually contain less building area than reflected on the Plat, and no Lot Owner shall have any claim(s), cause(s) of action or basis for any demand(s) against Declarant and/or the Association as a result thereof or in relation thereto.

15.6 Security. The Association will strive to maintain the Community as a safe, secure residential environment. HOWEVER, NEITHER THE ASSOCIATION NOR THE DECLARANT SHALL IN ANY WAY BE CONSIDERED GUARANTORS OF SECURITY WITHIN THE COMMUNITY, NEITHER THE ASSOCIATION NOR THE DECLARANT SHALL HAVE ANY OBLIGATION TO AFFIRMATIVELY TAKE ANY ACTION IN ORDER TO MAINTAIN THE COMMUNITY AS A SAFE, SECURE RESIDENTIAL ENVIRONMENT, AND NEITHER THE ASSOCIATION NOR THE DECLARANT SHALL BE HELD LIABLE FOR ANY LOSS OR DAMAGE BY REASON OF FAILURE TO PROVIDE ADEQUATE SECURITY OR INEFFECTIVENESS OF SECURITY MEASURES UNDERTAKEN. ALL LOT OWNERS, TENANTS, GUESTS AND INVITEES OF ANY LOT OWNER, AS APPLICABLE, ACKNOWLEDGE THAT THE ASSOCIATION, ITS BOARD, THE DECLARANT AND COMMITTEES ESTABLISHED BY ANY OF THE FOREGOING ENTITIES, ARE NOT GUARANTORS AND THAT EACH LOT OWNER, TENANT, GUEST AND INVITEE ASSUMES ALL RISK OF LOSS OR DAMAGE TO PERSONS, LOTS, LOTS AND TO THE CONTENTS OF LOTS AND FURTHER ACKNOWLEDGE THE ASSOCIATION, ITS BOARD, THE DECLARANT AND COMMITTEES ESTABLISHED BY ANY OF THE FOREGOING ENTITIES HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY LOT OWNER, TENANT, GUEST OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SECURITY MEASURES RECOMMENDED OR UNDERTAKEN.

15.7 Notices and Disclaimers as to Multi-Media Services. Declarant, its affiliated entity, the Association, their successors or assigns may enter into contracts for the provision of security services through any Multi-Media Services. DECLARANT, ITS AFFILIATED ENTITY, THE ASSOCIATION, THEIR SUCCESSORS OR ASSIGNS DO NOT GUARANTEE OR WARRANT, EXPRESSLY OR IMPLIEDLY, THE MERCHANTABILITY OR FITNESS FOR USE OF ANY SUCH SECURITY SYSTEM OR SERVICES, OR THAT ANY SYSTEM OR SERVICES WILL PREVENT INTRUSIONS, NOTIFY AUTHORITIES OF FIRES OR OTHER OCCURRENCES, OR THE CONSEQUENCES OF SUCH OCCURRENCES, REGARDLESS OF WHETHER OR NOT THE SYSTEM OR SERVICES ARE DESIGNED TO MONITOR SAME; AND EVERY LOT OWNER OR OCCUPANT OF PROPERTY RECEIVING SECURITY SERVICES THROUGH THE MULTI-MEDIA SERVICES ACKNOWLEDGES THAT DECLARANT, ITS AFFILIATED ENTITY, THE ASSOCIATION, ANY SUCCESSOR OR ASSIGN ARE NOT INSURERS OF THE LOT OWNER OR OCCUPANT'S PROPERTY OR OF THE PROPERTY OF OTHERS LOCATED ON THE LOT, DO NOT HAVE ANY OBLIGATION TO AFFIRMATIVELY TAKE ANY ACTION TO PREVENT SUCH OCCURRENCES, AND WILL NOT BE RESPONSIBLE OR LIABLE FOR LOSSES, INJURIES OR DEATHS RESULTING FROM SUCH OCCURRENCES. It is extremely difficult and impractical to determine the actual damages, if any, which may proximately result from a failure on the party of a security service provider to perform any of its obligations with respect to security services and, therefore, every Lot Owner or occupant of property receiving security services through the Multi-Media Services agrees that Declarant, its affiliated entity, the Association, any successor or assign assumes no liability for loss or damage to property or for personal injury or death to persons due to any reason, including, without limitation, failure in transmission of an alarm, interruption of security service or failure to respond to an alarm because of (a) any failure of the Lot Owner's security system, (b) any defective or damaged equipment, device, line or circuit, (c) negligence, active or otherwise, of the security service provider or its officers, agents or employees, or (d) fire, flood, riot, war, act of God or other similar causes which are beyond the control of the security service provider. Every Lot Owner or occupant of a Lot obtaining security services through the Multi-Media Services further agrees for himself, his grantees, tenants, guests, invitees, licensees and family members that if any loss or damage should result from a failure of performance or operation, or from defective performance or operation, or from improper installation, monitoring or servicing of the system, or from negligence, active or otherwise, of the security service provider or its officers, agents, or employees, the liability, if any, of the Declarant, its affiliated entity, the Association, their successors or assigns for loss, damage, injury or death shall be limited to a sum not exceeding Two Hundred Fifty U.S. Dollars (\$250.00), which limitation shall apply irrespective of the cause or origin of the loss or damage and notwithstanding that the loss or damage results directly or indirectly from negligent performance, active or otherwise, or non-performance by an officer, agent or employee of Declarant, its affiliated entity, the Association, their successor or assign of any of same. Further, in no event will Declarant, its affiliated entity, the Association, their successors or assigns be liable for consequential damages, wrongful death, personal injury or commercial loss.

In recognition of the fact that interruptions in cable television and other Multi-Media Services will occur from time to time, no person or entity described above shall in any manner be liable, and no user of any Multi-Media Services shall be entitled to any refund, rebate, discount or offset in applicable fees, for any interruption in Multi-Media Services, regardless of

whether or not same is caused by reasons within the control of the then-provider of such services.

15.8 Notices and Disclaimers as to Water Bodies. NEITHER DECLARANT, THE ASSOCIATION, NOR ANY OF THEIR OFFICERS, DIRECTORS, COMMITTEE MEMBERS, EMPLOYEES, MANAGEMENT AGENTS, CONTRACTORS OR SUBCONTRACTORS (COLLECTIVELY, THE "LISTED PARTIES") SHALL BE LIABLE OR RESPONSIBLE FOR MAINTAINING OR ASSURING THE SAFETY, WATER QUALITY OR WATER LEVEL OF/IN ANY LAKE, POND, CANAL, CREEK, STREAM OR OTHER WATER BODY WITHIN THE COMMUNITY, EXCEPT AS SUCH RESPONSIBILITY MAY BE SPECIFICALLY IMPOSED BY, OR CONTRACTED FOR WITH, AN APPLICABLE GOVERNMENTAL OR QUASI-GOVERNMENTAL AGENCY OR AUTHORITY. THERE IS NO GUARANTY BY THE LISTED PARTIES THAT WATER LEVELS WILL BE CONSTANT OR AESTHETICALLY PLEASING AT ANY PARTICULAR TIME. FURTHER, ALL LOT OWNERS AND USERS OF ANY PORTION OF THE PROPERTY LOCATED ADJACENT TO OR HAVING A VIEW OF ANY OF THE AFORESAID WATER BODIES SHALL BE DEEMED, BY VIRTUE OF THEIR ACCEPTANCE OF THE DEED TO OR USE OF SUCH PROPERTY, TO HAVE AGREED TO HOLD HARMLESS THE LISTED PARTIES FOR ANY AND ALL CHANGES IN THE QUALITY AND LEVEL OF THE WATER IN SUCH BODIES. CONTRACTORS, SUBCONTRACTORS, LICENSEES AND OTHER DESIGNEES SHALL, FROM TIME TO TIME, EXCAVATE, CONSTRUCT AND MAINTAIN WATER BODIES WITHIN PROXIMITY TO THE PROPERTY. NOTWITHSTANDING THE FOREGOING, EXCAVATION OR CONSTRUCTION OF WATER BODIES SHALL BE PROHIBITED UNLESS OTHERWISE AUTHORIZED BY THE PERMITS. IN THE EVENT THAT THE EXCAVATION OR CONSTRUCTION OF WATER BODIES IS NOT AUTHORIZED BY SAID PERMITS, SUCH EXCAVATION OR CONSTRUCTION MAY ONLY TAKE PLACE IF A PERMIT MODIFICATION IS OBTAINED. BY THE ACCEPTANCE OF HIS OR HER DEED OR OTHER CONVEYANCE OR MORTGAGE, LEASEHOLD, LICENSE OR OTHER INTEREST, AND BY USING ANY PORTION OF THE PROPERTY, EACH SUCH LOT OWNER, OCCUPANT OR USER AUTOMATICALLY ACKNOWLEDGES, STIPULATES AND AGREES: (i) THAT NONE OF THE AFORESAID ACTIVITIES SHALL BE DEEMED NUISANCES OR NOXIOUS OR OFFENSIVE ACTIVITIES HEREUNDER OR AT LAW GENERALLY; (ii) NOT TO ENTER UPON, OR ALLOW CHILDREN, GUESTS OR OTHER PERSONS UNDER THEIR CONTROL OR DIRECTION TO ENTER UPON (REGARDLESS OF WHETHER SUCH ENTRY IS A TRESPASS OR OTHERWISE) ANY WATER BODY WITHIN THE PROPERTY EXCEPT AS SPECIFICALLY PERMITTED BY THIS DECLARATION OR THE RULES AND REGULATIONS ADOPTED BY THE ASSOCIATION; (iii) DECLARANT, THE ASSOCIATION, AND THE OTHER LISTED PARTIES SHALL NOT BE LIABLE BUT, RATHER, SHALL BE HELD HARMLESS FROM ANY AND ALL LOSSES, DAMAGES (COMPENSATORY, CONSEQUENTIAL, PUNITIVE OR OTHERWISE), INJURIES OR DEATHS ARISING FROM OR RELATING TO THE AFORESAID ACTIVITIES; (iv) ANY PURCHASE OR USE OF ANY PORTION OF THE PROPERTY HAS BEEN AND WILL BE MADE WITH FULL KNOWLEDGE OF THE FOREGOING; AND (v) THIS ACKNOWLEDGEMENT AND AGREEMENT IS A MATERIAL INDUCEMENT TO DECLARANT TO SELL, CONVEY AND/OR ALLOW THE USE OF THE APPLICABLE PORTION OF THE PROPERTY.

FURTHER, NONE OF THE LISTED PARTIES SHALL BE LIABLE FOR ANY PROPERTY DAMAGE, PERSONAL INJURY OR DEATH OCCURRING IN, OR OTHERWISE RELATED TO, ANY WATER BODY, ALL PERSONS USING SAME DOING SO AT THEIR OWN RISK.

ALL PERSONS ARE HEREBY NOTIFIED THAT FROM TIME TO TIME ALLIGATORS AND OTHER WILDLIFE MAY HABITAT OR ENTER INTO WATER BODIES WITHIN OR NEARBY THE COMMUNITY AND MAY POSE A THREAT TO PERSONS, PETS AND PROPERTY, BUT THAT THE LISTED PARTIES ARE UNDER NO DUTY TO PROTECT AGAINST, AND DO NOT IN ANY MANNER WARRANT OR INSURE AGAINST, ANY DEATH, INJURY OR DAMAGE CAUSED BY SUCH WILDLIFE.

NEITHER DECLARANT NOR THE ASSOCIATION SHALL BE OBLIGATED TO ERECT FENCES, GATES OR WALLS AROUND OR ADJACENT TO ANY WATER BODY WITHIN THE COMMUNITY.

Article XVI: General Provisions

16.1 Enforcement. Unless expressly provided otherwise, the Association, or any Lot Owner, has the right to enforce, by any appropriate proceeding at law or in equity, all restrictions, conditions, covenants, easements, reservations, liens, charges, rules, and regulations now or hereafter imposed by, or pursuant to, the provisions of this Declaration. If the Association or any person entitled to enforce any of the provisions of this Declaration is the prevailing party in any litigation involving this Declaration or any rule or regulation, such party may recover from the losing party all costs and expenses incurred, including reasonable attorneys' fees for all trial and appellate proceedings, if any. If the Association is the losing party against any Lot Owner, such costs and expenses, including reasonable attorneys' fees, payable to the prevailing party and those incurred by the Association itself, may be assessed against such Lot Owner's Lot, as provided in Article VIII of this Declaration. Failure by the Association or by any Lot Owner to enforce any covenant, restriction, rule, or regulation will not constitute a waiver of the right to do so at any time.

16.2 Amendment. Except as may be otherwise provided herein, Declarant may amend this Declaration by an instrument executed with the formalities of a deed without the approval or joinder of any other party at any time prior to the date on which Declarant shall have conveyed 90% of the Lots on the Property. Except as may be otherwise provided herein, commencing on the date that Declarant shall have conveyed 90% of the Lots on the Property, this Declaration may be amended by the affirmative vote of not less than two-thirds (2/3) of a majority of the total voting interests in the Association who are present in person or by proxy at a duly-called and noticed meeting of the Association membership. In lieu of a vote taken at a meeting, the instrument executed by each of the owners agreeing to an amendment shall be deemed effective, provided that (i) each owner executes the amendment instrument with the formalities of a deed, and (ii) the Association, through its president, certifies the proper approval of the amendment. No amendment is effective until recorded, and the Association's proper execution will entitle it to public record. Notwithstanding the foregoing, (a) no instrument of amendment, rescission or termination shall be effective while there are Class B memberships unless 100% of the Class B Members shall approve and join in such instrument, and (b) no amendment which will affect any aspect of the surface water management system located on the

Property shall be effective without the prior written approval of the WMD. For purposes of this Section, a Lot shall be considered conveyed when the deed is duly recorded. Notwithstanding any provision herein to the contrary, based upon the specific language contained in Section 720.306(1)(c) of the Act, Declarant reserves the right, for so long as Declarant has the right to unilaterally amend the Declaration pursuant to this Section 16.2, to amend or modify the provisions in this Declaration pertaining to the proportionate voting interests appurtenant to a Lot or the proportion or percentage by which a Lot shares in the Common Expenses of the Association, without requirement for consent of any party.

16.3 Special Amendment. Anything herein to the contrary notwithstanding, and subject to the requirement of First Mortgagee approval set forth herein where applicable, Declarant reserves the right and power to record a special amendment ("Special Amendment") to this Declaration, at any time and from time to time, which amends this Declaration and any provision therein: (i) to comply with requirements of the Federal National Mortgage Association, the Government National Mortgage Association, the Federal Home Loan Mortgage Corporation, the Department of Housing and Urban Development, the Federal Housing Administration, the Veteran's Administration, or any other governmental agency or any other public, quasi-public or private entity which performs (or may in the future perform) functions similar to those currently performed by such entities; (ii) to induce any of such agencies or entities to make, purchase, sell, insure, guarantee or otherwise deal with first mortgages covering Homes; (iii) to correct clerical or typographical errors in this Declaration; (iv) to bring this Declaration into compliance with applicable laws, ordinances or governmental regulations; or (v) to minimize any federal or state income tax liability of the Association. In furtherance of the foregoing, a power coupled with an interest is hereby reserved and granted to the Declarant to make or consent to a Special Amendment on behalf of each Lot Owner and the Association. Each deed, mortgage, trust deed, other evidence of obligation, or other instrument affecting a Home and the acceptance thereof shall be deemed to be a grant and acknowledgment of, and a consent to the reservation of, the power of the Declarant to make, execute and record Special Amendments. The right and power of Declarant to make Special Amendments hereunder shall terminate on December 31, 2030, or on the date of the conveyance of all Lots in the Community by the Declarant to third parties, whichever occurs last. Notwithstanding any provision herein to the contrary, based upon the specific language contained in Section 720.306(1)(c) of the Act, Declarant reserves the right, for so long as Declarant has the right to unilaterally amend the Declaration pursuant to this Section 16.3, to amend or modify the provisions in this Declaration pertaining to the proportionate voting interests appurtenant to a Lot or the proportion or percentage by which a Lot shares in the Common Expenses of the Association, without requirement for consent of any party.

16.4 Additions to the Property.

16.4.1 Additional land may be made subject to all the terms hereof and brought within the jurisdiction and control of the Association in the manner specified in this Section, provided such is done within thirty (30) years from the date this Declaration is recorded. Notwithstanding the foregoing, however, under no circumstances shall Declarant be required to make such additions, and until such time as such additions are made to the Property in the manner hereinafter set forth, no other real property owned by Declarant or any other person or party whomsoever, other than within the Property, shall in any way be affected by or become subject to this Declaration. All additional land which, pursuant to this Section, is brought within the jurisdiction and control of the Association and made subject to the Declaration shall

thereupon and thereafter be included within the term "Property" as used in this Declaration. Notwithstanding anything contained in this Section, Declarant neither commits to, nor warrants or represents, that any such additional land will be made subject to and brought within the jurisdiction and control of the Association.

16.4.2 Procedure for Making Additions to the Property. Additions to the Property may be made by the following procedure:

16.4.2.1 Declarant shall have the right from time to time, in its discretion and without need for consent or approval by either the Association, any Lot Owner, Resident or other Person to make additional land owned by Declarant subject to the scheme of this Declaration and to bring such land within the jurisdiction and control of the Association; provided, however, in the event any portion of such additional land is encumbered by one or more mortgages, Declarant must obtain the consent and approval of each holder of such mortgage(s).

16.4.2.2 The addition shall be accomplished by Declarant filing of record in the public records a supplement to this Declaration with respect to the additional land extending the terms of the covenants and restrictions of this Declaration to such land as specifically and legally described. Such supplement need only be executed by Declarant and shall be accompanied by the consent(s) and joinder(s) of any holder(s) of mortgage(s) on such additional land. No joinder or consent of the Association, any Lot Owner, Resident or other Person shall be required. Such supplement may contain such additional provisions and/or modifications of the covenants and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the added land or permitted uses thereof.

16.4.2.3 Nothing contained in this Section shall obligate Declarant to make additions to the Property.

16.5 Warranties. Declarant makes no warranties, express or implies, as to the improvements located in, on or under the Common Property. Each Lot Owner, by acceptance of a deed or other conveyance thereto, whether or not it shall be so expressed in such deed or conveyance, is deemed to acknowledge and agree that there are no merchantability, fitness or otherwise, either express or implies, made or given, with respect to the improvements in, on or under the Common Property, all such warranties being specifically excluded.

16.6 Severability. Invalidation of any particular provision of this Declaration by judgment or court order will not affect any other provision, all of which shall remain in full force and effect; provided, however, any court of competent jurisdiction is hereby empowered, to the extent practicable, to reform any otherwise invalid provision contained in this Declaration when necessary to avoid a finding of invalidity while effectuating Declarant's intent of providing a comprehensive plan for the use, development, sale, and beneficial enjoyment of the Community.

16.7 Joinder. Should title to any Lot of the Community have been conveyed by Declarant prior to the recording of this Declaration, such Lot Owners of Lots by their signature to a Joinder shall be deemed to have joined with the Lot Owner in the recording of this Declaration and shall have subordinated their right, title and interest in the Lot to the terms

hereof and declare that their property shall be subject to this Declaration as fully as if title had been taken by them subsequent to the recording hereof.

16.8 Covenant Running with the Property. Except as otherwise provided herein, the covenants, conditions and restrictions of this Declaration shall run with and be binding upon the Property, and shall remain in force and be enforced by the Board of Directors and the Lot Owners, their heirs, successors and assigns, for a term of thirty (30) years after the date this Declaration is recorded in the public records of the County, and shall be automatically renewed for successive periods of ten (10) years, unless the Lot Owners, upon the affirmative vote of the holders of 70% of the total voting interests in the Association decide within six (6) months of such renewal date not to renew these covenants, conditions and restrictions, and a certificate executed by the president or the vice-president and secretary of the Association certifying to such vote is recorded in the public records of the County.

Each Lot Owner, by virtue of taking title to a Lot, hereby agrees that the deed of conveyance of the Lot to a third party shall specifically state that the Lot is subject to the terms of this instrument and shall state the recording book and page information for this instrument as recorded in the public records of the County. The intent of this provision is to defeat any potential argument or claim that Chapter 712, Florida Statutes, has extinguished the application of this instrument to each of the Lots.

16.9 Amplification. The provisions of this Declaration are amplified by the Articles of Incorporation and By-Laws, but no such amplification will alter or amend substantially any of the rights or obligations of the Lot Owners set forth in this Declaration. Declarant intends the provisions of this Declaration, on the one hand, and the Articles of Incorporation and By-Laws, on the other, to be interpreted, construed, applied, and enforced to avoid inconsistencies or conflicting results. If such conflict necessarily results, however, Declarant intends that the provisions of this Declaration control anything in the Articles of Incorporation or By-Laws to the contrary. The terms defined in this Declaration shall have same meanings in the Articles of Incorporation and By-Laws, unless otherwise provided.

16.10 Lot Owner Cooperation. No person shall use the Property, or any part thereof, in any manner contrary to or not in accordance with the Rules and Regulations and any provisions set forth in the By-Laws. The Lot Owners shall not permit or suffer anything to be done or kept in a Home or upon a Lot which will increase the rate of any insurance purchased by the Association for the Property or any portion thereof, or which will obstruct or interfere with the rights of other Lot Owners, or annoy them by unreasonable noises, or otherwise, nor shall the Lot Owners commit or permit any nuisance, immoral or illegal acts in or about the Property.

16.11 Existing Power Lines. Each Lot Owner, by virtue of taking title to a Lot acknowledges and agrees, and shall be deemed to have acknowledged and agreed, that there are existing overhead power lines within and adjacent to portions of the Community.

16.12 Resolution of Disputes. All issues or disputes which are recognized by the Act or by administrative rules promulgated under the Act as being appropriate or required for dispute resolution shall be submitted to such dispute resolution procedures contained in the Act prior to institution of civil litigation.

16.13 Flood Zones. Flood zone determinations are made by the Federal Emergency Management Agency. Declarant makes no assurance, with regard to any portion of the Property, that any flood zone designation for a Lot existing as of a particular date will remain the same. Declarant further advises that any such flood designation could be changed due to re-grading of the land as a result of the land development process. Each Lot Owner, by virtue of taking title to a Lot, acknowledges and agrees, and shall be deemed to have acknowledged and agreed, that Declarant has no involvement in the determination or designation of flood zone designations for any portion of the Property.

16.14 Access Control and Systems.

16.14.1 Declarant and the Association may, but shall not be obligated to, maintain or support certain activities within the Community designed to make the Community more secure than they otherwise might be. Neither the Association nor Declarant shall in any way be considered insurers or guarantors of privacy or safety within the Community or upon the Property, and in no manner shall the Association or Declarant be held liable for any loss or damage by reason of failure to provide adequate privacy or ineffectiveness of privacy or safety measures undertaken.

16.14.2 Each Lot Owner, occupant of a Home, family members, residents, tenants, guests and invitees of any Lot Owner, as applicable, acknowledge and agree, and shall be deemed to have acknowledged and agreed, that:

16.14.2.1 Declarant and the Association, and the officers, directors and supervisors of each of them, do not represent or warrant that any fire protection system, electronic monitoring system or other privacy system designated by or installed according to guidelines established by Declarant or the ARC may not be compromised or circumvented, that any fire protection or electronic monitoring systems or other privacy systems will prevent loss by fire, smoke, burglary, theft, hold-up, or otherwise, and that fire protection or electronic monitoring systems or other privacy systems will in all cases provide the detection or protection for which the system is designed or intended.

16.14.2.2 Each Lot Owner, occupant of a Home, a Lot Owner's family members, and residents, tenants, guests and invitees of any Lot Owner, as applicable, assumes any and all risks for loss or damage to persons, to Homes and the contents thereof; and

16.14.2.3 The Association and Declarant have made no representations or warranties, nor has any Lot Owner, occupant of a Home, a Lot Owner's family members, or residents, tenants, guests and invitees of any Lot Owner, as applicable, relied upon any representations or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular purpose, relative to any fire and/or electronic monitoring systems or other privacy systems recommended or installed or any privacy measures undertaken within the Community and upon the Property.

16.15 Common Property Improvements. Declarant makes no warranties, expressed or implied, as to the improvements located in, on or under the Common Property. Each owner of a Lot, other than Declarant, by acceptance of a deed or other conveyance thereto, whether or not it shall be so expressed in such deed or conveyance, is deemed to acknowledge and agree that

IN WITNESS WHEREOF, Declarant has duly executed this instrument on this 7th day of February, 2017.
